## Spiritual Growth Corner by George Kalil

My Mom always used to say that every cloud has a silver lining. Well, last week I lost 2 computers and had to replace them. It is sure hard to find the silver lining there. It did get me thinking. When I lost the desktop, I started worrying about what the problem was and how much it would cost, and then the real problem came to the surface. Like most of us, I don't backup the files like I should. I could lose everything. A day later I found out it was just the motherboard, and everything was retrievable. It was still going to cost me, but I was OK with the outcome.

If my mission in life is to get my family and myself to heaven, maybe I should be reviewing and backing up that plan. If losing data on a computer gives me something to worry about, how much more should losing souls bother me? This doesn't mean that any of my family is in jeopardy of not getting to heaven, but what am I doing to insure or backup that outcome? Am I continuing to grow in my faith, standing up for what we as Catholics believe, becoming perfect "as My heavenly Father is perfect?" (Matt 5:48). That is a tall order, and sometimes I succeed, and many times I fail. My job is to keep working at it and continually asking the Holy Spirit to help and then being open to where He takes me. That I can do; backing up my computer is another matter.

Our First Friday Rosary will be on March 3 at St. Vincent. Stations of the Cross will be at 7:00 PM, and we will say the Rosary as soon as they are completed. See you there.

## Welcome New Members

Please join us in welcoming the newest members to our Council: Carl Murray, who transferred in during January, and Trevor Miller, who recently took his First Degree.

## February 2017

### Brother Knights,

Thank you to all who helped at the Chicken and Mojos and the 5th Sunday breakfast last month. If you're looking for a way to volunteer and missed those two opportunities, please come down for the fish fries every Friday during the upcoming season of Lent.

Also, congratulations to our newest members and those that took their 2<sup>nd</sup> and 3<sup>rd</sup> Degrees this past weekend at Notre Dame.

I wish many blessings to you and your families as we begin Lent. I hope to see you at the next event, like the fish fry or the First Friday Rosary, and at the next meeting!

GK Andrew Fry
