

Get on the trail with the Walworth County Snowmobile Alliance

Walworth Co. web site: www.walworthcountysnow.com

The Walworth County Snowmobile Alliance is composed of 13 snowmobile clubs working together to install and maintain the snowmobile trail system throughout the county. The trails are installed, groomed, and uninstalled by hundreds of volunteers every year. The Walworth County trail system links to all surrounding Counties, as well as the Illinois snowmobile trail system. A vital part to the snowmobile trail system is a quality map. We will be using a 2-year map format for this update, including posting on our Facebook page and website.

Map sponsorship opportunities are:

1 Square 3" x 1 1/8" \$150

2 Squares 3" x 2 1/4" \$220

3 Squares 3" x 3 3/8" \$350

For inclusion in the 2024 - 2026 map please fill out the enclosed form and return with payment to the Walworth County Snowmobile Alliance. We will also need a digital copy of your logo artwork sent to the alliance as well. Please email a high quality artwork of your ad to reneesaban@comcast.net
