

Crossville HEARTS SPRING 2018 Co-Op Semester CLASS DESCRIPTIONS

A Child's History of the World

K - 3rd grade, Teachers: Christina Dalton

Going through the book of the same title. An overview of important events that reads like a story. We'll keep a visual timeline, some maps, and fun activities to reinforce the story.

Abeka Health in a Christian Perspective, (for credit)

8th - 12th grade, Teacher: Allison Savard

General health class discussing developing a healthy body, mind, personal safety, administering first aid, preventing disease, avoiding drug abuse, and pursuing right relationships. Students will be taught using the book Abeka Health in a Christian Perspective.

Backyard Explorers

3rd - 6th grade, Teacher: Jennifer Neal/Joe Neal

Venture into the wilderness right in your own back yard. Dive into nature studies!

Brain Games

K - 6th grade, Teacher: Christina Dalton/Amber Hall

Fun games and activities working on memory, listening skills, sensory fun, and comprehension.

Building Character

3rd - 6th grade, Teacher: Becky Jones/Liberty McBroom
Max 12 students

The students will learn a variety of character building skills...perseverance, generosity, citizenship, honesty, friendship, trustworthy, respect, compassion, and more. We will discuss Bible verses to link to those traits, and do crafts, games, etc...

Creative Crafting

3rd - 6th grade, Teacher: Cathy Phillips

Activity or hobby-making decorative items for home.

Cursive

3rd - 6th grade, Teacher: Cathy Phillips

Students will begin to learn cursive writing...cursive is a style of writing in which all the letters in a word are connected – it is also known as script or longhand. When students learn cursive writing they are excited to find that they can write an entire word without lifting their pencil from the paper.

Crossville HEARTS SPRING 2018 Co-Op Semester CLASS DESCRIPTIONS

Dr. Suess Stories/Activities

K - 3rd grade, Teacher: Jana Guy/Ambria Mills

We will read a Dr. Suess book and do a craft that will go along with the story.

Drama for Beginners: God's Will - A Story of a Medieval Knight

4th - 12th grade, Teacher: Ralph Hofnecht

Students will have fun working on a play called God's Will – A Story About a Medieval Knight. This class will be for both girls and boys and will cover acting, stage props, and more...

Exploring Our National Parks

K - 3rd grade AND 3rd-6th grade, Teacher: Janie Houston

We are going to explore some of our National Parks' history and what makes each of them unique.

Exploring Space

K - 3rd grade AND 3rd - 6th grade, Teacher: Allyson Hale/Brandie Hargess

Learn about space with fun hands-on activities. Topics include the sun, the moon, stars/constellations, the planets, and astronauts/getting to and living in space.

Faith Builders – A Lego Bible Study

3rd - 6th grade, Teacher: Rebecca Wilson

Each week we will have a Bible lesson and a Lego building project to go along with the topic of the week. A memory verse will be sent home each week to encourage Bible memorization.

Five In A Row

K - 3rd grade, Teacher: Libery McBroom

We will read the books and do the activities with the Five in a Row curriculum.

Fun Fitness

3rd - 8th grade, Teacher: Monica Rogers/Justin Case

Have fun and get active, making your bodies stronger! We will be developing core physical fitness concepts that will prepare your child for Kung Fu or dance. Your child will build muscles, improve his/her coordination, develop more confidence, and increase their self-esteem. At the end of each class we will play a physical fitness game using the core techniques we learned. This class is an investment for life!!

Crossville HEARTS SPRING 2018 Co-Op Semester CLASS DESCRIPTIONS

Handicrafts

7th - 12th grade, Teacher: Christina Dalton

Crochet/Jewelry Making/Embroidery. Learn a craft and make beautiful things. Three weeks of each craft, plus a bonus week of working on any project we want. Will be crocheting fingerless mitts, a hat, and reading patterns; jewelry-making with beads, leather, and wire, and an embroidery sampler.

ISM Having a Christian Worldview

4th - 12th grade, Teacher: Ralph Hofnecht

It So Matters what you think! Having a Christian worldview.

Learn Our History

3rd - 6th grade, Teacher: Annie Maddux/Lynn Sullivan

We will watch a video from the Learn Our History video series and answer questions.

Legos Free Play

This class is every period of the day. Lots of legos and your imagination – no structured builds.

Lunch Prep

9th - 12th grade, Teacher: Carol Erickson

Students will help prep for our co-op lunch period. We will prepare meals, take lunch orders, and distribute. Limited number of students.

Messy Science

K - 3rd grade, Teacher: Lena Jackson

This is a class for those who love to explore...how to turn liquids into solids, where electricity comes from, what is a magnet...these are just a few things that we will cover.

Missionary Heroes

3rd - 12th grade, Teacher: Beth Woodard

In this class we will work together to make a timeline of the missionaries about whom we study, learn about the places in which they ministered, meet missionaries serving around the world today, and (hopefully) grow to love Christ more as we see how He has used and is using ordinary people just like you and me to spread the good news of salvation through Christ. Our prayer is that these stories will inspire you to be a missionary right where you are and then pray about whether He'd like for you to "Go and tell."

Crossville HEARTS SPRING 2018 Co-Op Semester CLASS DESCRIPTIONS

Music Appreciation

8th - 12th grade, Teacher: Joe Neal/Della Davis

Explore the rhythm of life by learning the history of music and the power it holds. Students will participate by listening to, writing about, and even writing songs.

Nibbles and Scribbles

K - 3rd grade, Teacher: Amber Hall

Students will enjoy a snack while completing fun activities such as “find a hidden picture” puzzles, mazes, word search, cartoon art, and other fun activities!

P.E.

6th - 12th grade, Teacher: Valan Kornhaus

Students will be taught various physical training routines along with fun physically active games and sports. Additionally students will have the opportunity to participate in an at-home challenge for a chance to win a prize at the end of the semester.

Physical Science

7th - 12th grade, Teacher: Connie Vassilev

This is a continuation of the class from 1st semester using Apologia Physical Science textbook. Syllabus is available upon request.

Positive Success

6th - 12th grade, Teacher: Justin Case/Monica Rogers

Students will learn how to adjust their attitude to achieve goals, and how to improve grades, relationships, and performance.

Prom Decor/Crafting for a Cause

8th - 12th grade, Teachers: Carol Erickson/Starla Hale/Taylor Holloway

Crafting for a Cause: We will use arts and craft time to create something that can make a difference to those in need. Whatever craft project we are working on, it will always have a purpose!

Crossville HEARTS SPRING 2018 Co-Op Semester CLASS DESCRIPTIONS

Praise Band

7th - 12th grade, Teachers: Carol Erickson/Starla Hale/Della Davis

We will have fun as we explore the vocal and instrumental talent we have been blessed with. Limited number of students. Come with a heart of worship!

Science Experiments with Candy

K - 2nd grade AND 3rd - 6th grade, Teacher: Allison Savard/Co-Teacher needed

Candy science experiments presents even more ways to destroy store bought candy for the sake of science. Students will learn about acids and bases, dissolving, melting, density, light, crystals, and more.

Science Lab

3rd - 6th grade, Teacher: Sheri Glup/Chris Cregar

Minimum 4, Maximum 10

*Requires composition notebook – if you've taken my prior Lab classes and still have your composition book, then feel free to continue using that composition book – if not, then you're required to supply a composition book for this class.

**Animals: We'll be doing Mammals, Reptiles, Amphibians, and Insects...What they can do, Have, and Are. Research, diagram, and application on what we've learned.

**Life in the Desert, Life in the Forest, Life in the Grassland: Water temperature data, animal and plant life. Where in America and where in the world are Desert, Forest, and Grassland life found.

Shakespeare

5th - 12th grade, Teacher: Jared Oakes/Connie Vassilev

We will read ten of Shakespeare's plays this semester, mixing well-known works with some you've probably never heard of. There may be romance. There will be stabbing.

Short Cut Cooking

8th - 12th grade, Teacher: Jeannie Guenther

We will be learning time-saving techniques for cooking, practicing, and tasting short cut meals and recipes.

Crossville HEARTS SPRING 2018 Co-Op Semester CLASS DESCRIPTIONS

Show and Tell

K - 6th grade, Teacher: Connie Vassilev
Maximum 15

Bring something wonderful from home to share with your class. Students will also have the opportunity to learn poems and recite in class for prizes.

Sign Language, Year 1 Part 2

7th - 12th grade, Teacher: Lynn Sullivan/Tammy Moore
*can be used as ½ credit language

Learn American sign language including basic vocabulary, conversational skills, alphabet, finger-spelling, and numbers. We will be covering lessons 8-15 from www.Lifeprint.com. *Prerequisite is to complete lessons 1-7.*

Sleuth Detective

3rd - 6th grade, Teacher: Jana Guy

Students will be solving crime cases. There will be different activities for each case.

States and Capitals

3rd - 6th grade, Teacher: Liberty McBroom/Becky Jones

SUPPLIES NEEDED – 12 count muffin tin, folder, scissors, pencil and colored pencils.

We will be learning the states & capitals through songs, games, flash cards, etc...

Teen Coffee Bar

7th - 12th grade, Teacher: Rod Hutton

Share some coffee, goodies, original poetry, recitations, comedy, and a story or two. Maybe bring your guitar and share an original song. It will be a do-it-yourself coffee bar experience.

Weird History

6th - 12th grade, Teacher: Della Davis/Kaitlyn Schoolfield

The greatest moments in history are the ones the textbooks won't tell you! We'll be digging up the strange and little known from all over human history.

Crossville HEARTS SPRING 2018 Co-Op Semester CLASS DESCRIPTIONS

World Travels

K - 3rd grade, Teacher: Jennifer Neal/Annie Maddux

Immerse your child in the cultures of the world and explore geography hands-on. This class goes beyond intro to geography. We will explore the tastes and traditions from around the world.
