

A tribute to the Giorgi family...

Rego's Restaurant was established in 1948. Rego and Tito, brothers, started this business together and flourished thereafter. The original Rego's was located at 528 McKean Avenue in 1948 and then moved to 532 McKean Avenue approximately a year later. In 1969, the business suffered from a damaging fire. The Giorgi brothers then decided to move across the street to what we now know as Rego's Restaurant and Hotel, Inc. Rego's has long standing patrons that enjoy the food, atmosphere and staff daily. Rego's was built on their menu, made from "scratch", including their famous spaghetti sauce, gnocchi and raviolis. In 2012, Eric and Evonne Henderson bought Rego's. They understand the importance of keeping the recipes the same and making little changes as time matures. We encourage you to try some of our new items as well as old. Just ask, we will do our best to make your experience at Rego's the best that it can be! Don't forget to stop by the Keyhole Bar for an after dinner cordial and take note of the shape of the bar, only two of those in the country! We hope to see you back soon.
