OBSSESSED OVER WEED CONTROL?

It doesn't have to come to this. GrazonNext® HL herbicide provides longlasting, broad-spectrum control of more than 90 tough pasture weeds. What's more, it has no livestock grazing restrictions¹ and most states require no license to purchase or apply it.¹ So instead of weeds, start thinking about the money you'll save growing more grass and buying less feed. Cowman's Prayer

Now, O Lord, please lend me thine
ear,
The prayer of a cattleman to hear,
No doubt the prayers may seem
strange,
But I want you to bless our cattle
range.

Bless the round-ups year by year,
And don't forget the growing steer;
Water the lands with brooks and
rills
For my cattle that roam on a thou-
sand hills.

Prairie fires, won't you please stop?
Let thunder roll and water drop.
It frightens me to see the smoke;
Unless it's stopped, I'll go dead
broke.

As you, O Lord, my herd behold,
It represents a sack of gold;
I think at least five cents a pound
Will be the price of beef the year
around.

One thing more and then I'm
through,—
Instead of one calf, give my cows
two.
I may pray different from other
men
But I've had my say, and now,
Amen.

GOOD LUCK TO ALL CONTESTANTS!
