Minutes 04/01/2015

The GSSN met on Wednesday, April 1, 2015 at the American Legion Hall in Henderson, Nv. Pres John Anderson called the meeting to order at 6:30 pm & led in the pledge of allegiance to the flag. He welcomed all (there were two visitors and 56 signed in). John asked the group about the minutes as published in the High Grader newsletter and Rich Borders made a motion to accept the minutes as published, which was seconded by Morris Seguin. Vote was unanimously in favor, and the motion carried. Then Mark Hedges gave the Treasurers report for Feb, and March 2015. Morris made a motion to accept the report as given, which was second by Rick. Vote was unanimously in favor, and the motion carried. The President then updated the group regarding GSSN's potential 40-acre land purchase. A realtor in Arizona has been contacted to represent GSSN and will further research the property. Information will be presented to the members as further information becomes available. Rick K mentioned that Desert Outfitters in under new ownership. Steve Lindley (who stood) (Current owner of Gold Rush Prospecting) said things would be pretty much the same as before and invited all to come and check out D.O. Then it was announced that a wet sluice and two buckets were available for free—just contact the president for details. The next outing will be a group dig at the 20 acres property in Meadview—be sure to RSVP. A reminder that the Gold Show at the South Point will be April 25-26. Deanna (President of GPAA Las Vegas) was present and had tickets available. George N. reminded all that the Breakfast Club would meet on April 7th at Jokers Wild (9am). David Axtell told the group that by-laws were being updated and would be published for review. He framed that in the form of a motion, which was seconded by Kathy Martin. All were in favor and the motion carried. After a short break, the raffles were held (see below) and at 8 pm Morris made a motion to adjourn the meeting, which was seconded by Paul Watts. The meeting ended at that time.
