**Amateur Status** – a person is an Amateur for the purpose of classes run under Association Rules if he/she does not, during the current or previous season:

- (i) Engage in breeding, livery, buying, selling, dealing or hiring horses in a commercial capacity.
- (ii) Receive remuneration for employment in the connection with horses in racing, showing, livery stable or Riding School (instruction at Pony Club and Riding Club excepted). This does not include the suppliers of ancillary services such as farriers and vets.
- (iii) Own/Part own an equestrian establishment including but not limited to riding schools, events centre, stud or livery yard in any capacity, or receive any form of remuneration for employment at an equestrian establishment. For the avoidance of doubt for the purpose of this rule, immediate family members of an owner or part owner of an equestrian establishment who work or are howsoever otherwise engaged or involved in any capacity, whether or not for remuneration at the equestrian establishment, will be treated as being an owner or part owner of that equestrian establishment.
- (iv) Show a Horse owned or sponsored by a company or a commercial firm, or act as a Brand Ambassador or Supported Person, in any showing classes, UK Ponies and Horses or otherwise, or a Horse for which his/her immediate family accepts livery or training charges from a person outside the immediate family concerned. A competitor is not eligible to compete in Amateur classes on an Exhibit, which has been ridden by a Professional Rider in any Open classes, UK Ponies and Horses or otherwise, with the exception of Open Working Show Horse and Side Saddle classes, during the current year and the previous year, up to but not including the Royal International Horse Show.

The above Rule does not apply, if the Horse has been Professionally Produced and only ridden by a Professional, during the current season, or if the horse has subsequently been sold and re-registered under new Ownership.

No person included on any affiliated Judging Panel can compete in a UK Ponies and Horses Amateur Class. UK Ponies and Horses feel that this is not entering into the spirit of the competition.

On the day when an Exhibit is competing in an Amateur class, Professionals are not allowed to ride or work-in the relevant animal. No Professional Producers are allowed into the ring to groom/strip the Horse (B) Amateur Owner/Rider. Open to Horses owned and ridden by an Amateur, (the Rider need not be the Owner of the Horse). This ruling will also apply to Amateurs who wish to compete in the Annual Amateur Points Awards. No Professional Producers are allowed into the ring to groom/strip the Horse. (C)Amateur Home Produced. Open to Horses, which are either stabled at home or in a D. I. Y. yard and which since 1st January in the current year, have not been shown by a Professional during the current season or stabled in a Professional yard at any time in the current year. To be ridden by an Amateur. This does not exclude Amateur Owner Home Produced riders having lessons at any time with an instructor, providing the Horse remains stabled at home. No Professional Producers are allowed into the ring to groom/strip the Horse.

- Conflict of Interest:** Within the equestrian community there may be times when conflicts occur. For guidance, it has been determined that a perceived/potential conflict of interest could arise in the event that an appointed judge has a previous or current connection to a horse entered in the competition. Examples of such connections and interests include, but not limited to, the following. The judge has; bred or previously owned the horse or acted as an agent in its sale; previously competed, trained or kept the horse at livery; previously or currently had a financial or other interest in the horse. In the event that a judge/owner/rider (or their agent) knows of, or should know of, any potential and/or perceived conflict of interest in a horse entered in the competition they must declare this to the Organiser as soon as it is known. Steps will be taken to manage it as practically as possible. Any potential conflicts will be written and displayed next to the scoreboard. Conflicts at the Final will be avoided and managed by Burghley Horse Trials.
- It is a condition of entry that all riders, owners, grooms, and their connections/relatives, must conduct themselves and communicate in a respectful manner towards the public, officials, and all other parties present or entered in the competition. Such behaviour includes respect for the Judges and their decisions, which are final. Offensive behaviour, and/or other violations of this condition, may lead to sanctions such as disqualification and future bans.

**DISCLAIMER:** Hambleton District Show is unaffiliated to British Eventing and neither British Eventing nor Burghley Horse Trials accept any responsibility whatsoever for any loss, damage or injury to any person, animal or property at the show
