Dear 6-12 parents:

Each school afternoon, the Yarmouth School Department will run a late bus. Students at HMS can be picked up at 4:25 pm and students at YHS can be picked up at 4:30pm. Students then will be driven home on a route that will eventually drop students off at Cousins Island for the 5:00 pm ferry.

Each afternoon/evening, the CTC bus will stop at YHS at 6:05 pm and 7:50 pm to pick up any student needing a ride to Cousins. This is similar to previous years. Students in grades 6-12 may ride these buses.

We hope this information is helpful to you and your children.
