From the President's Desk:

Not much going on right now to address. So I want to remind everyone that Registration is open for the 2018 York Area Sportsman for Youth, Youth Field Day!

This event, for kids age 8-15, is a day long adventure in outdoor events. The kids will visit a dozen or so stations. They will do trap, rifle, muzzleloader and archery shooting. They will go trout fishing with our awesome trout folks, run an obstacle course, learn from trappers, outdoorsmen and conservation district officers.

They will observe retriever dog demonstrations and may paddle a canoe in our little lake. There will be a goody bag for each child, door prizes and a lunch for all kids and their accompanying adults. Every child, or group of children, MUST bring an adult (adults bring chairs and water bottles!).

The best part? This event is TOTALLY FREE, and open to the public. We can guarantee your child will come home dirty, tired and happy!

There is one catch, you MUST pre-register. The accompanying flyer has the details. Please send your name, address, and age, with a self-addressed stamped envelope, to York Area Sportsman for Youth, PO Box 32, Dover, PA 17315. They will return a numbered registration confirmation to you, as this event is limited to 200 kids. It fills fast. Visit <http://www.yorkiwa.org/youth-field-day-1.html> to download the flyer.

Don't miss this, the amount of smile power from the kids is incredible! Don't have kids? Come play with ours! We are always looking for volunteers to scoop up on some of the smiles. Give us an hour or the day, you will not be disappointed.

Many hands do indeed make for light work. As always, feel free to reach out to me with comments and complaints. This is your club, let's make it great.

Pistol Committee

On Saturday, March 17th, 22lr match. Again, for more details check our site at www.yorkpistol.blogspot.com a week or so before or email us at yorksignup@gmail.com with questions. The Rimfire Precision Match has its roots in PRS style centerfire matches. Each shooter

will be required to engage distances from 10 up to 200 yards. It's approximately 130 round count, 8 stage match (bring 200) that may include positions such as, standing, kneeling, prone, barricade, and improvised field positions. Targets sizes will vary from as small as 2 MOA up to 8 MOA.

There is a Fun Shoot scheduled for March 24th if you haven't been to one of these it is a great time to get some practice in, bring family and friends too. Our FunShoots are a great venue to introduce yourself, your friends and family to shooting. We don't ask much in the way of equipment or experience, just that you are safe at all times. Our FunShoots feature a unique variety of targets and shooting options, to accommodate the novice .22 plinker to the pro multigun shooter. The emphasis is on safety and fun. You can learn more by watching this blog, and just showing up on shoot day. We usually shoot the 4th Saturday of the month.

In April we will be busy. Sunday, April 8th is the next 3 Gun match, and another one is scheduled on May 20th. Remember all ranges are closed on this day until around 3:00 pm. On April 22nd we'll be shooting Steel Challenge. Then on April 28th we'll be having a Fun Shoot. Please subscribe to www.yorkpistol.blogspot.com to be notified of news and events.

Pistol Committee

On Saturday, March 17th, 22lr match. Again, for more details check our site at www.yorkpistol.blogspot.com a week or so before or email us at yorksignup@gmail.com with questions. The Rimfire Precision Match has its roots in PRS style centerfire matches. Each shooter

will be required to engage distances from 10 up to 200 yards. It's approximately 130 round count, 8 stage match (bring 200) that may include positions such as, standing, kneeling, prone, barricade, and improvised field positions. Targets sizes will vary from as small as 2 MOA up to 8 MOA.

There is a Fun Shoot scheduled for March 24th if you haven't been to one of these it is a great time to get some practice in, bring family and friends too. Our FunShoots are a great venue to introduce yourself, your friends and family to shooting. We don't ask much in the way of equipment or experience, just that you are safe at all times. Our FunShoots feature a unique variety of targets and shooting options, to accommodate the novice .22 plinker to the pro multigun shooter. The emphasis is on safety and fun. You can learn more by watching this blog, and just showing up on shoot day. We usually shoot the 4th Saturday of the month.

In April we will be busy. Sunday, April 8th is the next 3 Gun match, and another one is scheduled on May 20th. Remember all ranges are closed on this day until around 3:00 pm. On April 22nd we'll be shooting Steel Challenge. Then on April 28th we'll be having a Fun Shoot. Please subscribe to www.yorkpistol.blogspot.com to be notified of news and events.
