September 14, 2015

To the Sherburn and Welcome City Councils,

The department logged 144 calls for service for the month of August. This brings the total for the year to 1,243 calls. In comparison, the department logged 1,324 calls in 2014 and 983 calls in 2013 for the same reporting period.

Average response time for the department for the month was approximately two minutes which is right around the average for the department.

School has begun again and so far the year is off to a good start. Homecoming week is this week and the department will again assist with various activities such as the parade and escorting the cross country team into the field prior to the game on Friday night.

Officer Weinmann's last day with the department was September 10. Trevor started part time with us in February and was recently hired full-time with the Wright County Sheriff's Office. We wish him the best in the future.

We will begin the process to fill the open full-time position later this month and will hopefully add more part-time staff at the same time. The department has gone through considerable turn over this year as a number of officers have been hired by other agencies which leaves us with vacancies. Hopefully we will get some officers hired that will be around for a while moving forward.

Sincerely,

  
Brad L. Hughes
