

Do not underestimate the improvements in your personal image that just a few suggestions from Wendy and Flawless can provide. Even for those well established in their careers, her advice is extremely helpful, motivating, and powerful.

—Brenda Fowler, HR Manager

Polished and Professional. These are two of the key words that I use to best describe Wendy Solomon. She has passion to deliver excellence in the specialized topics of Business Etiquette and Image Development and this she did while delivering her powerful presentation at Transaction Title Company.

—Todd Bevins, Transition Title

speaker | entrepreneur

OUTSMARTING THE AGING PROCESS: Savoring Every Moment

The aging process isn't easy! As the body changes, some people embrace the process of becoming older and wiser, and some view it almost like a ticking time clock, moving us day by day closer to the end.

We can and we should take care of the external self and slow aging to the extent we can. But it's also important to celebrate the small moments of every day, and enjoy the journey!

Learn some simple strategies to look and feel younger every day!

STANDOUT STYLE: Branding Yourself for Career Success

Corporations spend big money creating and promoting their brand. Like a corporate brand, your personal brand (your appearance) sets you apart. It gets you noticed. And these perceptions are lasting.

Is your image helping or hindering you from getting what you want in your life? A promotion? Respect? Getting more clients? A romantic partner?

Discover the keys to putting together your best look.

THE POWER OF THE MIND: Creating physical, emotional, and spiritual wellbeing

Each of processes an astounding power to heal ourselves. We can create our own health and happiness.

Learn mind-body techniques to overcome negative patterns, turn off your stress response, and work with your subconscious mind to facilitate healing.

Your subconscious mind has the answer to all of your problems! When you align yourself with your objectives, anything is possible.
