Member at Large:	Bob Walker	410-893-1887
Webmaster:	Steve Snyder	steve@SwanHarborRC.com

**Club Meeting, Churchville Rec Center, March 13, 2008, 7PM.
Has to warm up soon. Show us what you have been doing.**

GENERAL CLUB NEWS...

Our Club meet on Feb 14 was lightly attended. Apparently Valentines Day trumps our meeting.

1. Vice President, Steve Snyder, chaired the meeting since Jim Snyder was out gallivanting, who knows where.
2. Jim Snyder ordered some more Club hats.
3. Steve is ordering himself a jacket and T-shirt with the Club logo. When he gets the particulars we'll print them in the Newsletter in case anyone else wants them.
4. Sam Harbold of the Harford County Radio Control Modelers forwarded a message about radio control combat that will be held at the Sandy Point field. There are some details following.
5. The trip to the WRAM Show was cancelled.
6. Dale "The Ravens Maniac" Davis who is new to our Club has been acting as liaison between our Club and Harford County for which he works. He will try to coordinate a time when the County could come to our field and roll it in time for the new season. And while they're at it he'll have them check any parts of our road which may need a touch up.
7. Dale also brought in some new signs for our pilot stations, nicely made of heavy weight metal.

**Dale "The Ravens Maniac" Davis and Dan Bowman
with our new Street Sign**

Also, Dale showed a sample of some Club signs he wants to post on the roads coming into the flying field.

8. Tom Smith raised the issue of early fertilization and weed control for the field. He was authorized to spend up to \$300 for reemergence fertilizer.
9. There was some discussion about how to prepare the ground under the picnic tables so as to avoid all the collecting rain and mud. One option seems to be to build a shallow wooden box under each of the tent areas and fill them with stone or gravel. Dale will check on what stone may be available.
10. Our membership for 2008 stands at 43. Very good show.

If you have any questions regarding the minutes or contents of this Newsletter please direct them to Achille Silvestri, Ph 410-838-6261 or e-mail axsilvestri@verizon.net

SHOW AND TELL...

Dale Davis brought in some very handsome signs that he proposes to post on some roads coming into the flying field. They are made of beautiful Club graphics affixed to heavy metal plate. Also, he had made some very attractive signs for our pilot stations. Both items will add significantly to the attractiveness of our Club.

RADIO CONTROL COMBAT AT SANDY POINT...

Sam Harbold of Harford County Radio Control Modelers has sent out an invitation to neighboring clubs about Slow Survivable Combat which they plan to host at their field at Sandy Point. It will be open to all clubs. It will consist of .15-size open class, whose restrictions will ensure slower speed (50-55mph) and increase survivability. For more information go to <http://hccrm.com> and click on the SSC Combat tab.. If you have further questions you may e-mail rccombat@hccrm.com

MEMBERSHIP RENEWAL...

Ron Lazzeri reminds us that membership renewals are due. Renewals are \$35 if paid by March 31. After that you will be required to pay full price, \$80 (\$35 membership and \$45 initiation fee). Also remember to renew your AMA card for 2008. It can't stay cold forever.

ABOUT SWAN HARBOR RC...

Swan Harbor RC meets 7PM the second Thursday of the month. Starting October we meet at the Churchville Rec Center, Glenville Road, Churchville Road. The public is welcome to the meetings. To fly with us at Swan Harbor take Oakington Road off US 40 (between Aberdeen and Havre de Grace) and follow the signs for Swan Harbor Farm. Be sure to have your 2008 AMA membership because you need it to fly. [SWAN HARBOR RC 2008 Membership Applications](#) are available on line or additional information can be obtained from Ron Lazzeri, 410-256-4210, ronlazzeri@verizon.net. To learn more about Swan Harbor RC (formerly MAOA); go to www.harfordvista.com/rcnews/ and click onto January 2001
