ATTENDANCE POLICY: Student attendance directly relates to student success. Students are expected to maintain an attendance rate of 95% at all times during enrollment. The attendance rate will be calculated by multiplying attendance hours by 95%. A student’s attendance rate will be accumulated and assessed during the total period of enrollment. This standard reflects the expectation of the workplace.

A full time student of 32 hours per week may miss 2 eight (8) hour days every four weeks. A part time student attending 15 hours per week may miss 2 five (5) hour days every four weeks. Students who fall below 95% attendance will be given notice and then counseled for an attendance intervention contract. Students will be given a designated period of time to bring attendance to the acceptable level of 95%. Students who fail to accomplish the 95% attendance standard will be asked to temporarily drop from the program or withdraw.

STUDENTS ARE EXPECTED TO BE ON TIME EACH DAY.

Day students clock in at 8:30 a.m. Night students clock in at 5:00 p.m. Day students arriving after 8:37 a.m. and night students arriving after 5:30 p.m. will not be permitted to clock-in and must leave campus for that day.

Students are NOT allowed to return to their cars or to the parking lot after clocking in. All equipment should be brought in to campus before clocking in. Students need to arrive early enough to accomplish retrieving their equipment prior to the required start time. Students who violate this will be required to clock out for the day. Repeated violations will result in suspension and possible dismissal from the school. If you have not completed your operations and/or theory hours at the time you reach your contracted end date you will not be able to graduate until

those minimums have been met. An additional fee of **\$13.00 per hour** will be charged for the hours needed to complete operations and/or theory. This fee must be paid before documents will be sent to State Board.

LEAVE OF ABSENCE POLICY: Students may request an extended period of time off for emergency reasons, such as medical, death in the family or childcare problems. Leaves must be a minimum of one week and requested in writing and approved prior to taking time off.

PRE-APPLICATION: Pre-applications to the Board of Barbering and Cosmetology are applications that are sent out at 75% of the Cosmetology, Barbering and Esthetics courses and 60% for the Manicuring course. The pre-application to the Board allows the student to apply sooner so as to get a test date as soon as 14 days after graduation. It is considered a privilege offered the students at BBC of Lakewood who are prepared to test. It is not beneficial to the student or the school to send a student that is not prepared for the exam.

STATE BOARD EXAMINATIONS

Students must pay for the cost of taking the State Board of Cosmetology Licensing Examination.

Students are allowed to Pre-Apply for the State Board when they have reached the following number of hours, **(and if all tuition fees are paid in full)**. All students will pay a \$9.00 pre-application fee in addition to the application fee (listed below). Students will need a personal check or money order.

Cosmetology	1200 hours	\$125.00 + \$9.00 = \$134.00
Esthetician	450 hours	\$115.00 + \$9.00 = \$124.00
Barbering	1100 hours	\$125.00 + \$9.00 = \$134.00
Manicuring	300 hours	\$110.00 + \$9.00 = \$119.00

Students will NOT be allowed to Pre-Apply if they have gone over this number of hours. Once a student has graduated the application process and the cost of the exam will be their responsibility. **This fee is not included in class fees.**

GRADES: Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a weekly/bi-weekly standard percentile basis. Students must maintain a 75% average to maintain satisfactory academic status in theoretical and practical subjects. An exam will be given upon completion of each theory subject. Exams and written assignments will be graded as follows:

100% - 90%	(4)	A	Excellent
89% - 80%	(3)	B	Above Average
79% - 70%	(2)	C	Average
69% - 60%	(1)	D	Needs Improvement
59% - Below	(0)	F	Unsatisfactory

STANDARDS OF ACHIEVEMENT: At 200, 400, 600, 800 and 1200 hours each student's time card is audited and course work is evaluated to monitor the student's progress. If test scores and/or attendance are not at BBC of Lakewood standards a student is placed on warning status and the student may need to repeat classes and re-test subject chapters at their own expense if the student should overextend their contracted time. A charge of \$13.00 per hour is charged for hours over their contracted time.

Each student is evaluated on the following:

Practical subjects and applied effort – 50% Theory subjects – 50%

Each student is given credit for applied effort. NO credit is given for idle, non-productive time.

MOCK BOARDS: The practical and written final exam (Mock Board) will be given once each semester for Cosmetology and Barbering students. Esthetician and Manicuring final exams (Mock Board) will be scheduled every three (3) months or more. Mock Boards will use the same procedure as the State Board of Cosmetology Licensing Exam. It is part of the curriculum and a major requirement of this school. Any student scheduled to test who does not test or complete the test for any reason **will not be permitted to pre-apply**.
