Wardrobe Mistress & Seamstresses Needed

PCB is looking for seamstresses to sew costumes for our 2017 Spring Concert! Every year our dancers get the chance to perform in their very own, personally fitted, beautiful ballet costumes. Along with their dances, these are often one of the main highlights of the Concert for our students. Please speak with Judy or Rachel if you, or someone you know, would be willing to help create these magical pieces for our Concert in June.

Reminder

Please return your blue envelopes ASAP.
In the next few months there will be lots of information sent home regarding costumes, Spring Concert info, etc.
