Welcome to the end of summer. Like you, I am looking forward to cooler days, fall festivals and preparing for holiday reunions with friends and family.

### **National Night Out is set for Tuesday, October 2.**

As is our custom, we will hold the Royal Ridge Neighborhood Association Annual meeting at the clubhouse (5859 Royal Ridge) starting at 6 pm. If you have items you want placed on the agenda for discussion, please email me at [dancalderon1967@gmail.com](mailto:dancalderon1967@gmail.com).

Former RRNA President Lee Mays has been acting as de facto board vice president of the neighborhood association. The vice president's position, which I held previously, was not formally filled when I took over as president last year. If you would like to be considered for vice president of the board, please let me know. We need strong representation from across our community.

Royal Ridge Recreational Club President Diana Luna suggested making our annual meeting an opportunity to give back to the community, so we will be collecting non-perishable items (canned food, crackers, etc.) for The San Antonio Food Bank during our meeting. Please think about bringing a

A few words about this publication, the Royal Ridge Recorder: For the past 15 years or so, Cathy Steinman has served as the publisher and ads manager for our neighborhood newsletter. She has done an amazing job, but she was more than ready to give it over to someone else. Over the years she has tried to relinquish duties with no takers willing to help her out.

Thankfully, my wife Norma Rabago has agreed to step into the role. Norma has an undergraduate degree in journalism from the University of Texas at Austin. At UT, she worked for the Longhorn Radio Network, helping produce segments covering science and technology. She later worked for the *Fort Worth Star-Telegram* helping to cover the state capitol, including the inauguration of Gov. Ann Richards, and for the *Corpus Christi Caller-Times* as a features reporter. In between, she coordinated editorials published across the state for then State Treasurer Kay Bailey Hutchison.

Gary Harmon will continue to gather content for the Recorder and to edit the publication as news editor. **Cathy, who deserves a round of applause for all the hard work she has put into this publication over the years, will serve as a consultant through this transition.**

For now, we plan to continue delivering a hard copy version to our community in addition to posting a version

online. In the future, we may move to an online version only if ad revenue no longer covers the cost of printing.

I ask for your patience and support for the Royal Ridge Recorder during this time. We want to keep it a vibrant avenue for sharing good news and important updates about this place we call home.

All of us know that school is back in session. Just a friendly reminder here to watch out for children being dropped off and picked up at Royal Ridge Elementary School in the mornings and afternoons, respectively.

Finally, some of you may have noticed the rock garden entrance to the Randolph Boulevard side of Royal Ridge was recently weeded. My thanks to my daughter Isabella for rounding up her friends, all freshmen at Roosevelt High School, to put in volunteer hours early on a Saturday morning to get this done. A few of you driving or walking by gave them shouts of encouragement, for which I thank you.

The students have committed to coming back soon to weed the O'Connor Road entrance.

School is back in session and fall will soon be upon us. **The annual RRNA & RRCOP Annual Meeting and National Night Out will be on the first Tuesday in October (October 2), and it will be here soon. Plan now on attending! Meet and greet at the RRRC Clubhouse will start at 6 pm with County and City officials, SAPD officers, SAFD fire fighters, Code officials, etc. dropping by as their schedules permit. The RRNA Annual Meeting will start around 7 pm. Food and refreshments will be provided. There will also be door prizes.** Join your neighbors as we get to know one another better and talk about community successes and concerns.

**Plan now too to attend either the October or November San Antonio Police Department Citizens-On-Patrol training and then joining RRCOP. Classes are Saturday, October 13, 9 am-1 pm, and Monday, November 5, 6-10 pm. Only one session is required. Without new members this program cannot continue as we presently know it, i.e. someone**

**patrolling our neighborhoods an average of two hours each day.**

I'm sure you have seen it by now, i.e. drivers not abiding by the rules because of lack of knowledge, or to somehow advantage themselves over other drivers or just not paying attention. Need to refresh your memory since having taken a driving test? You can view the Texas DPS Driver Handbook at:

- [www.dps.texas.gov/internetforms/Forms/DL-7.pdf](http://www.dps.texas.gov/internetforms/Forms/DL-7.pdf).

I know, more than you wanted to know or wanted to spend your time reading. Here are some little known or practiced rules you should observe to protect everyone's safety, not the least of which are school children.

When entering the roadway from any alley, building or driveway you must stop short of the sidewalk and yield the right-of-way to vehicles and pedestrians.

When entering a through street from a T-intersection you must stop and yield the right-of-way to through vehicles.

Be on the lookout for pedestrians ... and give them the right-of-way whether they have it or not.

Near a school, slow down, watch for children and prepare to stop suddenly if necessary.

Observe school zone speed limits! Cell phone use is prohibited in school zones.

Where white stop lines are painted on the pavement at traffic signs or signals you are required to stop behind the line.

Where stop lines are not present, you must stop short of a crosswalk when required to stop by traffic signs, signals or pedestrians in the crosswalk.

You may not park, stop or stand an idling vehicle on a sidewalk or crosswalk, in front of a public or private driveway, within 15 feet of a fire hydrant, within 20 feet of a crosswalk at an intersection, or where an official sign prohibits parking or standing.

It is illegal for any driver to permit their car to stand idling unattended without turning off the engine, locking the ignition, removing the key from the ignition and setting the brake. The driver and all passengers, regardless of age, in a passenger vehicle are required to use safety belts.

Any child under 8 years old must be secured in a federally approved child care seat to include in pickups, SUVs and trucks.

Stopped by a law enforcement officer? Slow down, move to your right and park safely. Place the vehicle in park, set the emergency brake, turn the engine off and activate the emergency warning flashers. Remain in the vehicle, keep both hands in sight on the steering wheel, and wait for the officer's instructions. The officer may approach from either side of the vehicle. Don't reach for anything in the vehicle until asked for it and informing the officer where it is located.

Of course, there's lot more to safe and courteous driving. Review your driving habits with the goal of becoming better! We'll all be safer and less stressed because of it. Be Safe. Enjoy the coming fall weather.

School is in full swing at Royal Ridge Elementary and SAFETY is our TOP PRIORITY! Please be aware of students and parents crossing. We are asking parents not to park along the main roads of the school, but rather help us minimize traffic by parking in the school, visitor or clubhouse lot.

As a new safety precaution, all exterior doors will be locked at every campus during school hours. All visitors will use a 'buzz in' system, so please be prepared for slight delays. Doors will be locked five minutes after the final bell, and a photo ID will be required to enter after this time.

**NEISD elementary schools invite all law enforcement officers from municipalities within the NEISD boundaries for a FREE SCHOOL LUNCH every day from 11-12. Just come in uniform and eat lunch with the students! The program is called "Meals for Shields."**

Royal Ridge Elementary is searching for mentors! If you are interested in dedicating one to two hours per week to a student Pre-K through 5th grade who needs extra support, please contact Michelle Martinez at (210) 407-7024. It takes a village to raise a child.

The next **Monthly Socials** will be **Friday, September 28 and October 26 at 5:30 pm**. All Socials are held at the RRRC Clubhouse. All adult members of the Royal Ridge Recreational Club (RRRC) Clubhouse are welcome. Visitors are welcome to come and see if they are interested in joining the RRRC. Drinks are provided for a small donation and people are asked to bring finger foods to share. Hope to see you there!

The next **Tripoley Nights** will be **Friday, September 14 and October 12 at 7 pm**, also held at the RRRC Clubhouse.

Also, I've noticed several trash cans with damaged or missing lids. Call 311 and request a replacement lid, and the city will come out and replace it. If your trash is

If you have input for the newsletter please let your *Royal Ridge Recorder* point of contact or Editor know so we can include it, if appropriate.

Qualified volunteers are still needed in key Royal Ridge areas such as RRRC, RR COP, *Royal Ridge Recorder* newsletter deliveries, and individual HOAs.

*Facebook.com/royalridgerecreationalclub*

Our pool season ended with our **4<sup>th</sup> Annual Aloha To Summer Luau** along with the showing of "**Black Panther**" for our bi-weekly **Movie Night**. This year we were not able to host our BBQ Chicken plate fundraiser due to our inability to find anyone to grill chicken for us. It does take an extra skill to do this in a large quantity. Hopefully we will find someone to take on this task for next year and help bring back our traditional end-of-summer fundraiser.

We were able to offer our shaved ice for \$2 along with refreshing, cold, sweet watermelon slices compliments of our member, **Magda Hylton**. She also ensured our members enjoyed their hamburgers by provided her grilling skills during our last two movie nights. Thank you for your generosity and time.

Our bi-weekly dive-in movie nights were overall well received and attended. We offered extra goodies such as **Hamburgers \$2/Root Beer & Big Red Floats \$1** at the Concession Stand for each movie. Movie-themed door prizes/party favors/glow sticks were also part of the fun. It was indeed a good time had by all.

Our adult night series continued with **Party on the Patio** on **July 27** and **August 10**. Participants again enjoyed finger foods, music and good company with a BYOB option. Not to mention a dip in the pool under the stars.

**THANK YOU** to ALL who attended. We plan to make these a monthly event during our 2018-2019 summer pool season.

On an opposite spectrum, our **Teen Nights** held on **July 18** and **August 15** had next to no attendance. Taking this into consideration, we will review whether to continue to offer this event.

As always, let's give a **BIG SHOUT OUT** to our pool personnel/volunteers for a great pool season.

#### **THANK YOU To:**

**Victoria** for **ALL** your hard work and dedication. She not only was our **Lead CPR/Pool Attendant** but made sure all our daily pool operations were in place for your enjoyment.

She also did an amazing job by theme decorating for

each movie and went ALL out for our Luau as well.

**Matt** for doing an outstanding job as our **2<sup>nd</sup> CPR/Pool Attendant** on evenings/weekends and being flexible to cover shifts if/when needed.

**Dawson** for learning the ins/outs and providing great customer service at our **Concessions** and serving as an extra CPR attendant during our movie nights.

**Cyndi Manes** for stepping up as volunteer again this year to oversee our **Adult Swim/Tues-Fri**.

This year our attendance was the highest it has been in years. We look forward to the same next summer.

**Susan Hodge** for continuing to oversee/volunteer for our **Adult Swim** on **Saturday** mornings.

**Deb Edens** for stepping up to oversee the daily pool operations/personnel as well as any/all other Clubhouse duty when necessary.

Last but not least ... **THANK YOU** to our one and only **Bob Robbins**. Your selfless and continued efforts to ensure our pool is maintained and that chemicals are in synch on a daily basis are appreciated beyond words. Our entire pool season could not be possible **WITHOUT YOU**.

I would also like to give a **HUGE Shout Out** to a new volunteer, **Joseph Gonzales**. Joseph and his family are first-time members and want to ensure their children are able to enjoy our facilities for years to come. Joseph is assisting Mr. Robbins with pool and lawn maintenance on Mondays and as needed. **THANK YOU Joseph!!**

Volunteers are how we are able to keep our facilities up and going as well our ability to offer more events. I always welcome suggestions/ideas from members and I'm sorry that some may feel my being negative to some proposed. As Board President, I do not have the luxury of having an Event or Fundraising committee. Any/all events are mainly spearheaded by me and hope that that I will have a volunteer or two to help. It's sad to say that the one person who will come out to volunteer at any given time is a dear friend who is a non-resident. She does not benefit from any of this in any way but yet she has stepped up to the plate for me for over five years. She assists me with set-up/teardown at many of our events and is our main grill person if/when needed. Many of you have had the pleasure of meeting this amazing person, her name is **Terry Tejada**.

Our **Community Garage /Rummage Sale** will be held on **Saturday, October 6 (9-2 pm)**. You may host at your residence or rent a space (\$10) at Clubhouse. Keep in mind if you host at your residence, you must obtain a permit. They can be purchased at your local HEB. Contact **Diane Luna** at 210-393-6976 with any questions/concerns.

Our annual **Spaghetti Plate Fundraiser** will also be held alongside this event. Plates include spaghetti with or without meatballs, salad, roll and drink for the low, low price of **\$6**.

Halloween would not be the same without our annual **Halloween Boo Bash & Egg Hunt**. It will be held on **Saturday, October 20 from 6-8 pm**. Alongside this event, we will offer the movie "**CoCo**" as an added treat. We look forward to a great turnout. I believe this indeed has become a community tradition. This event is open to **ALL** Royal Ridge residents.

approached me on our poor, please retire me Clubhouse sign. The matter was brought to the Board in our last meeting in May. One of our board members, Bill Kelly has taken on the task to make a new one by hand. The sign will resemble the lettering seen on our entrance signs off Randolph and O'Connor. We are hoping to have it unveiled at our upcoming National Night Out meeting on October 2.

Also, on National Night Out, we will present a new Clubhouse fundraiser to the community. The Clubhouse is partnering up with **Wreaths Across America**. ~ **GIRL SCOUT TROOP 00871** ~  
\*\*\*WE'RE BACK\*\*\*

After taking a summer break, Troop 0871 is back up and running. Our first meeting was held on Tuesday, September 4. Our multi-level troop was formed in late March 2016 consisting of Daisies and Brownies. Since then, many of our Brownies have bridged over to Juniors, adding another level.

Our troop levels meet on Tuesdays on a bi-weekly basis at the Clubhouse from 6-7:30 pm.

Many of you may have supported us with our cookie sale campaign between January-February. We hosted several sales at the Clubhouse and made some door-to-door visits. We thank you for your continued support.

Our earnings from our cookie sales made it possible for the girls to attend a sleepover at SeaWorld on the weekend of July 14-15. The girls experienced after hours, nighttime behind-the-scenes tours as well as up close and personal encounters with the dolphins, beluga whales and sting rays. The sleepover was held inside the Explorer Reef whereby sharks and other sea animals were part of our scenery for the night. It was an experience the girls will cherish forever.

This year we will start out with the Stem Expo on September 15, a field trip to Animal Defense League on September 29 and an educational tour to Haven for Hope in November. We also hope to visit a corn maze in October as a fun event.

Here's to a fun and productive year. We will keep you updated on our projects/activities via this newsletter.

**MONTHLY LADIES LUNCHEON**

*Janet Latiolais, Coordinator, 210-655-1873*  
*Email: [jmlatch@satx.rr.com](mailto:jmlatch@satx.rr.com)*

Every lady in Royal Ridge is invited to attend the monthly luncheons. The dates and locations of follow-on luncheons are determined by the host for that month and will be announced when available. Call me for additional information and for the next scheduled luncheon date.

Thank you, ladies, throughout Royal Ridge. Our monthly ladies' luncheon has really been a success! We average about 15-16 ladies each month with new ladies coming to check us out daily. We've gotten to know each other much better throughout the subdivision. This is important as now more are aware of where some single folks are living and are keeping an eye out daily for that single dweller.

## NEIGHBORHOOD NEWS

### PATIO HOMES I

*Lisa Gerlich, Reporter, 210-590-6095*  
*Email: [lisagerlich@me.com](mailto:lisagerlich@me.com)*

Greetings! I will begin by updating the community on the results of the latest board meeting that we just had at the end of August.

I will start with the news that **Damon Tabor**, who has been the HOA president for almost two years, is moving to another community away from Royal Ridge and has resigned as president. The board voted that I, **Lisa Gerlich**, will be acting president and that a new member, **Rebecca Waugh**, will be the interim vice-president until the next general PH1 homeowners meeting. All of us will miss Damon and are very grateful for the work that he has done.

The next item is maintenance updates. The fascia repairs are continuing. The crew has finished most of the work on the fascia of the garages. The contractors will restore the paint color any garages that were painted a different color to the original color. The repair work is continuing on the fascia of individual townhomes. No paint colors will change at this time. We should be able to start soliciting bids to repaint all the units sometime in the spring.

Because of the cost, it will be a 3- to 4-year process to get all the townhomes painted. At that time, some units will have a color change so that the color palette will be limited to the three colors (plantation brown, terracotta and olive grove) agreed to by residents who attended the special PH1 neighborhood meeting held in May. The board approved the plan that the architectural committee created.

If your townhome is already one of these three colors, the color will not change. The only colors that will change are units that are not one of the three colors. The architectural committee will inform the owners of any color changes by letter before any repainting occurs. The maintenance director reported that many owners need to replace or repair garage roofs. Please have your garage roof checked. The garage roofs are problematic because they are flat and people tend to forget about them because they are detached. If the garage roof is leaking, the painting contractors may need to repair fascia which will add to the cost.

The board will be sending letters to homeowners the first weekend in November to remind people that HOA dues for 2018 need to be paid by the end of the year.

**The board scheduled the next general PH1 HOA meeting for Wednesday, March 6 at 7 pm at the clubhouse. Please put the date on your calendar and plan to attend.**

I want to thank personally all members of the current board as well as the former President **Damon Tabor**. We are making progress and I appreciate everyone's help. I know everyone on the board is serving because of a desire to keep PH1 homes a desirable place to live. Please consider helping. There is a lot to be done. I have been working on the board for almost two years. I have also recently retired. Over the last several months I have gotten to know many more of my neighbors. This neighborhood has many tremendous people.

**We have an URGENT NEED for a new HOA President, Vice-President, Secretary, and Treasurer! We need someone to take the minutes of the meeting on October 11 at 7 pm. Email: dkobeck@sbcglobal.net*

Please welcome two new neighbors, both on Archwood, **Steven Cohen and Charlynn King**. Please make them feel welcomed when you see them.

I would also like to repeat **Wanda Espinosa's** write-up in the last issue of the Recorder about focusing on our yards and keeping trash picked up round our homes. We want to keep our community a great place to live. It would really help, if when the **Herald** newspaper is thrown on your property on Wednesdays to try to pick it up. It sends a message out to vandals that no one is at home at the address with it just laying around and it really looks awful.

We now have a new mailman. Remember when we were told not to put the flag up on our boxes to show outgoing mail. Well that is still true. As it only advertises to potential criminals that you have outgoing mail. Just a reminder: The new mailman checks every mail box to see if there is any out-going mail.

I would like to send out a great "thank you" to whoever got rid of the tall weeds on the Island at Royal Ridge and Randolph Blvd. I've been under the weather and haven't been able to keep it up lately. Thank you again to this Angel.

**Please mark your calendar for our Annual HOA meeting. It is Thursday, October 25th, 6 PM at the Club House. At this time, we will be asking for at**

**least two new volunteers for the board, One as Secretary and the other just a member. We've had two members resign due to health reasons. We really need your HELP.**

**Also don't forget Night Out on October 2nd, at our Club House. Always an enjoyable evening.**

School's has begun! Yay! I miss the noise of kids playing at recess. Depending of the direction of the wind, it's like having background music when I'm in my backyard. I think Star also likes to see the kids outside; she stands on the driveway and looks over for a second or two before getting to her doggie's interests and duties.

Longtime residents of our neighborhood, **Terry and Sharon Stevens**, celebrated their 60th wedding anniversary this past August. They were married in Abilene, TX in 1958. Many more wonderful years to you both, **Terry and Sharon**.

These last couple of months saw another member of our community pass, **Sharon Spillman**. She was a resident of Royal Breeze. She was a bit of a recluse so not a lot of folks knew her. Our condolences are extended to Sharon's family.

Most of the houses have sold now and a couple new ones are about to be placed on the market. It's not the same neighborhood of 8-10 years ago, never mind a generation ago when most original owners moved in.

Not a lot going on this hot, hot summer. The weather map at the end of August showed we had enjoyed 24 days of 100 degrees plus since July. Gosh, come to think of it, the heat has kept some of my neighbors in that I usually see daily. I'm looking forward to the cooler days of Fall prior to the busy holiday season not soon afterwards.

As a former editor of the newsletter, I wish to thank **Cathy Steinman** for all the endless hours she devoted to our newsletter over the past 15 years. She was the backbone of the newsletter and it's because of her that it became the product we receive at our doorstep today. She helped to make it a valuable asset to Royal Ridge before the electronic world we now live in. I look forward what the future will bring. **Thank you, Cathy.**
