

Signing Into Breeze

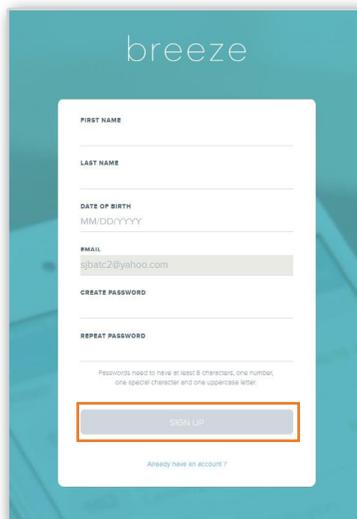

Signing into Breeze can be done in several ways. Once your account is set up, you can access Breeze via a web browser, iOS device or Android device.

Breeze Invitation

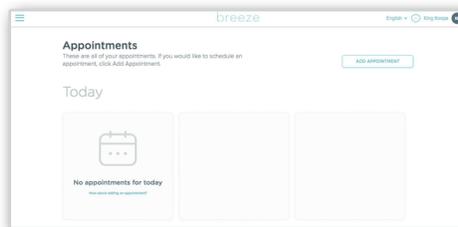

Once your practice has invited you to Breeze, you will receive an email. Click **LET'S GET STARTED**.

Once clicked, Breeze will open in your browser. Fill in the information and click **SIGN UP** to set up your account.

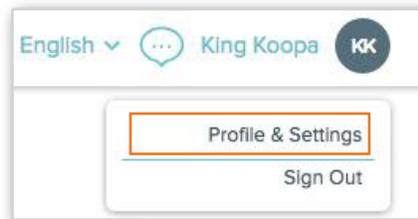

After completion, you will now have access to Breeze.

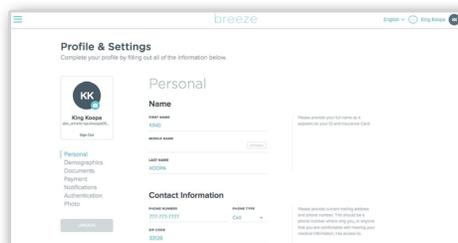

Modifying Your Breeze Account

To verify your personal information or make any changes to it, click on your name in the top right section and select **Profile & Settings** from the menu.

The **Profile & Settings** page will appear and changes in your account can be made.

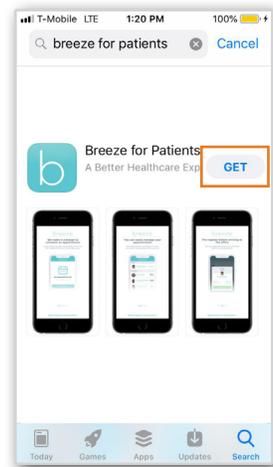

Signing into Breeze

To sign into Breeze:

- a. On your computer – Go to **web.gobreeze.com** and enter your email and password. Click **PATIENT SIGN IN**.

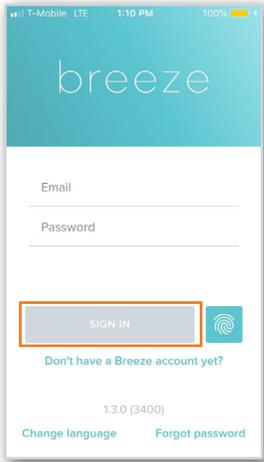

- b. On your iPhone
 - i. Download the app in the **App Store** - Search for **Breeze for Patients** and tap **Get** to download the app.

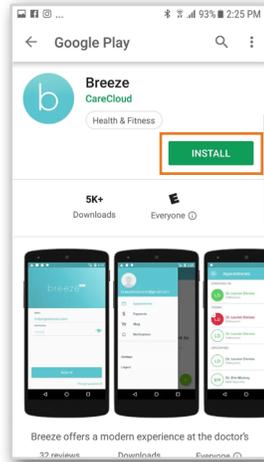

b Breeze
Signing Into Breeze
