

Dear Soccer Player,

As a graduating High School senior, you are most likely eligible to apply for the Island Trees Sue Link Memorial Scholarship which is awarded annually to graduating students who plan to attend college or trade school. Eligibility is based on the following criteria:

- 1) Applicant must be a graduating senior from High School and be entering college or approved trade school.
- 2) Applicant must be a member of the Island Trees Soccer Club for three out of the last five years.
- 3) Applicant should be a player to be considered for this award. If no team exists or if the player is cut from an existing team, functioning as a referee or coach in the Island Trees Soccer Club will also qualify the applicant. 4) Amount of the award will be qualified by the number of years the applicant played or served the club with a current maximum of \$500.
- 4) *An individual will be disqualified from any consideration if they voluntarily leave the Island Trees Soccer Club at any point in their last five years to play for another club while a team exists in their age group for whom they could have played.*

Enclosed you will find an application for the Island Trees Scholarship which I urge you to complete and return by the deadline.

Thank you for your interest,
The Island Trees Soccer Club
