

.... prepare them for the new millennium.

YOUTH 2000 answered that challenge and now SOURCE + SUMMIT is answering the challenges our young people face in our diocese responding to their particular needs and they keep coming back for more.

SOURCE + SUMMIT is winning our young people for Christ and building his church. It helps them to form a Catholic conscience and gives them the courage to be a light in this dark culture.

When Jesus said, " When I am lifted up I will draw all me: unto myself", He meant it. He started with the good thief on Calvary and has kept his promise at each of our retreats.
