

PRODUCT DATA SHEETS

PHOTO FINISH – ALL PURPOSE ECONOMY CLEANER

DESCRIPTION

This product is a fast acting, all-purpose cleaner for all types of interior and exterior removal of soil, stains, mud, grease marks, hand prints and light wax build-up. Its unique blend of cleaning ingredients provides outstanding wetting and emulsifying qualities. It penetrates, dissolves and floats away dirt and other soils from floors and washable surfaces. It contains no caustics, acids, abrasives or other ingredients harmful to the skin, clothing or resilient type surfaces.

It is highly sequestered, rinses freely and leaves no soap or film residues. It will not dull or remove floor finish, nor damage floor surfaces and is safe to use on any surface that water will not harm.

FEATURES

- **FREE RINSING**
- **BIODEGRADABLE**
- **HIGH DILUTION RATIO**
- **LEAVES NO DULLING FILM**
- **NON-TOXIC, NON-FLAMMABLE AND NON-CORROSIVE**

USE AND DIRECTIONS

Use to clean asphalt tile, automobiles, bathroom fixtures, display fixtures, linoleum, mirrors, rubber tile, vinyl tile, vinyl asbestos tile, wall tile, woodwork, all non-porous surfaces, or any surfaces unaffected by plain water.
