

PRESENTS: *Animal Enrichment
for Shelters*

Asheville, NC

Monday, May 20, 2019

Instructor:

Elizabeth Overcash
Animal Shelter Manager
Burlington Animal Services

Target Audience:

Animal sheltering and animal welfare professionals including animal care staff, animal control officers, management, veterinary staff, volunteers, and others in the animal welfare profession.

Course Overview:

The animal enrichment course is designed to educate and inform animal sheltering professionals about the use of animal enrichment in shelters, including the need for enrichment, types of enrichment, and how to implement an animal enrichment program in a shelter environment.
