In an effort to provide and protect each individual homeowner's rights and values, it is required that any homeowner considering improvements (examples: exterior painting, patio covers, outside buildings, fences, decks, basketball goal, etc.) of their deeded property, submit a Request for Home Improvement Approval to the Architectural Control Committee for approval of the Homeowner's Association prior to initiating work on planned improvements. If any change is made that has not been approved, the committee has the right to ask the homeowner to remove the improvement from the property.
