

Partnership Provides Help to Find a Job or Seeking Assistance.

A partnership between the Delaware Division of Libraries and the Department of Health & Social Services may be able to help you find a job or much more. Social workers and job search coaches are available to aid state residents, **free of charge** with the following:

- Completing the ASSIST application
- Applying for food benefits and locating food pantries
- Medicaid sign-up and solving issues
- Finding long-term nursing care
- Finding and paying for childcare
- Home energy assistance
