

THE WOMAN'S CLUB OF SAN ANTONIO

RUSTLING LEAVES

DECEMBER 2018

DASH INTO DECEMBER

"And let us consider how we may spur one another on toward love and good deeds."
(Hebrews 10:34)

Encouragement is water to the soul. My Christmas wish is that we continue to build this Club with encouragement, good deeds, and love for each other. In doing this, I need to encourage you on two issues. Reservations are important to our planning and our financial health. Each of our caterers requires a guarantee of the numbers of diners. The Club must be ready to pay for each of those meals. We need to know for certain that you are coming to an event such as these. And, we must ask for your payment **in advance** to further secure the count for reservations. The days of caterers including a 10% overage are over. Everyone has to watch pennies in order to make a profit and stay in business. That includes US! Members, please make your reservations early, and encourage your friends to join you and do the same. Thank you.

Some members have asked why the additional charge for the use of a credit card for meal reservations. The Board of Directors

voted that we needed to include a credit card service fee for the following reasons:

- We are being charged nearly 3% for taking a credit card. This comes directly off the price of the item and totaled in the thousands last year.
- We simply cannot afford to carry the weight of this additional cost.
- If you write a check or pay in cash, we are not charged the additional money, so neither are you.
- The service charge has become the norm in many organizations that sell tickets.

Once the Christmas Faire is over, the computer that I set up in the Library will be back in place. I am finding it handy to have an office space at the clubhouse for the many computer tasks that I am required to do. You have permission to use it as well. The printer/copier is also for your use. Please ask Martha for the passcode, and do work that applies only to The Woman's Club. Googling is definitely allowed! I ask you to feel free to use this space because Martha's office (the Club office) should be used more carefully. (Continued pg. 2)

DASH INTO DECEMBER (continued)

Patte Pfeiffer uses the second desk space in the Club office to make check deposits and complete other Assistant Treasurer tasks. Marsha Metz uses the second desk space to write checks for the Club and to keep the books. Outside those two jobs, we need to avoid using this space. As Martha works in her office with guests who want to rent the house, we need to help her make a good impression on those guests. Dropping off goods haphazardly is not helpful to that goal. When Martha is on the phone and our members are gathered in her office and talking, this disrupts the easy flow of business for her (she cannot hear the voice over the phone because of the voices in the office!). Additionally, if members gather there and begin gossiping about other members, Martha hears things that she should never hear. It is her task to work with all members of the club, and sordid tales do not make that job easier.

Please use the Foyer, the Library, or the Dining Room to chat with Club friends. This is our home and should be a comfortable place of pride. We also have a lively and varied business to run and each of us should do her best to make it a successful one.

As the calendar year draws to a close, the Club year is not even at the halfway point yet. After a tremendously successful Christmas Faire, we can take a breath for just a short while. We have some enormous plans that kick off very soon. I wish you all a warm holiday season filled with good food, good friends, and loving family. You deserve the very best.

## Scenes from November Round Tables

The American Home & Garden Round Table members (L-R) Rose Hoelscher, Sandra Whittaker and Carol Keller shared special Christmas memories at their meeting.

**INGENUE**—This Round Table is open to young ladies ages 12-19 who are daughters, granddaughters or great-granddaughters of current members of The Woman's Club of San Antonio.

Ingénues pictured are Sarah Stone, Sophia Christiansen, Laurel Miller, Hannah Geppert, Lillie Medina, Gabby Geppert and Melody Hays. They met to plan the Christmas Party the Ingénues host at The Woman's Club in December for the children from Respite Care of San Antonio. They are proud of the fishing booth game they created for the children for the party. The mission of Respite Care of San Antonio is to protect, love, build trust, and nurture growth of children with special needs and complex medical conditions while strengthening the families caring for them. Everyone is welcome to help with the Christmas Party on Dec. 16 at 3 p.m. at the Club. Contact Johanna Christiansen or Kathy Littlefield for more information.

## MEMBER SPOTLIGHT

It seems only fitting that Membership Chairman Iris Ann Francis selected **KATHY LITTLEFIELD** for our spotlight this month....if you did not know, one of the many "hats" she wore this month was Chairman of the Christmas Faire.

Need any question answered about the Woman's Club of San Antonio? As a patron/LIFE member since 2000 and past president (2010-2012), Kathy is the go to person! She has devoted her life to being a big part of the Club! It even gets down to what size a light bulb needs to be for a chandelier or any aspect of the Bylaws, she knows the answer! A little mite with a big heart for giving of time, energy, support to our club, that's Kathy Littlefield! As Chairman of the Christmas Faire, Kathy coordinated the making of gingerbread houses, baking her favorite desserts for the vendors and getting it all done with a smile and style of a Southern Lady! Thank her whenever you see her for the many, many activities she has chaired and participated in over the years. She truly is a superstar!
