"I can be classified as a clinic junkie since I have attended so many over the last 12 years. I think Richard is one of the very best. He is a great communicator with an excellent program. In addition to being an outstanding horseman, Richard is a person of uncommon character." -Tom Austerman

Quality Horsemanship for Quality Horse Lovers!

This horsemanship weekend will focus on developing a stronger, trusting and respectful relationship with your horse. Creative groundwork exercises will help you bring more clarity and understanding to all of your horse handling techniques. Riding exercises will refine your rein management skills and bring more refinement to each maneuver. Socialization games will help each horse be more comfortable and compliant in group settings. This clinic has something to offer for all riders and experience levels.
