The top 8 (Senior Circuit) or 9 (Junior Circuit) players listed are those players who played the most at each position of any other players on the team. These players are listed in a suggested batting lineup order.

The next section of names on each team are the starting pitchers listed by batters faced (descending order).

The next section are relievers. Usually the "closer" is listed first and then other relievers by batters faced (descending order).

The fourth section is a list of additional pitchers. After the name of the pitcher, you see a comma and then either an "S" for starter, "R" for reliever or "B" for both.

The last section of player names is made of position players. After each name in this section, you'll see a comma followed by the position most played by this player on this team.

Each player is carded for each team played for during the season. And, the player is rated based, of course, on the stats accumulated while playing for the team for which the card is created.

A card is created for all players on all teams for each season.

SPECIAL BASE STEALING

The following cards in this set have Special Base Stealing instructions in the section of their playing card where you normally see a pitcher's rating. If a player gets on base and if the base in front of him is vacant and either second base or third base, the manager may attempt a steal of the base. Simply re-roll the dice and refer to the Special Base Stealing portion of the player's card for the result. Those players are:

Senior Circuit

Billy Hamilton (Cin)
Felix Pie (Pit)
Jeff Kobernus (Was)

Junior Circuit

Matt Carson (Cle)
Pedro Ciriaco (KC)
Freddy Guzman (TB)

NOTE: Player who played BOTH pitcher and catcher:

Anthony Recker (NYM)

HP0 Bk0 WP0 at pitcher
