

ENGINEERING CLUB FACT SHEET

CATEGORY:

Academics

SPONSORS:

Amanda Lawrence & Joseph Stevens

PRE-REQUISITES:

None

DESCRIPTION:

Engineering Club meets to complete mini-challenges, and also builds larger scale, longer term projects. We hope to complete a campus improvement project next year as well.

MEETINGS:

Tuesdays after school

DUES: \$25

**OTHER MONETARY
REQUIREMENTS:**

The students who are part of the Science Olympiad team will need to pay for the hotel and bus travel to the state competition in the spring.

TRAVEL: Required

A few students may attend the regional and state competitions for Science Olympiad in the spring

**PARENTAL
INVOLVEMENT:**

Can assist with fundraisers

**REQUIREMENTS TO MAINTAIN
MEMBERSHIP:**

None

BENEFITS AND OTHER GOOD INFORMATION:

Students learn to use the equipment in the Engineering Workshop and participate in the Engineering Design process with other students. This year, students will work on the build projects for the Science Olympiad team, and will compete at the regional and state level (hopefully!)
