

Harvest Time Bible Camp Employee Application

Dear Applicant,

We are excited to hear about your interest in serving at Harvest Time Bible Camp this summer. We are praying and preparing already to have a great summer. One of the keys to a successful camp season is our staff. Since there are a number of interested in the positions, we are asking for you to fill out and to submit this application by April 17th to help us know you better.

Unfortunately, our budget will not allow us to hire everyone. We will call or email to inform you of your employment by April 26th.

We are asking our staff to arrive on Monday, May 26th for a work week to prepare for camp. Campers will begin to arrive the following week, and camp will continue through the summer until August 8th.

Camp will be finished each week on Friday. The staff must return the following Sunday night. Staff is also welcomed to stay over each weekend and attend our church.

Employees receive \$150 per week of work plus an additional scholarship for college depending on your weeks of service. The camp also helps cover other personal needs you may incur while at camp. If you are able and need to work additional weeks, please include dates in the application.

We truly are searching for God's will in this matter, and we pray you are doing the same. If you have any questions or concerns, please contact us.

Sincerely,
Stephen Brackeen
