PARENTAL STATEMENT OF COMMITMENT

The church reminds parents that they are the primary educators of their children, especially in the Faith. The parish catechism program does not take the place of parents, but rather assists them in their efforts to share the Faith with their children.

At Baptism parents make a solemn commitment to raise their children “in the practice of the Faith”. Families need to actively participate in the life of the Church, especially in the Sunday Mass.

Parents support the religious education curriculum by participating in parent sessions and working with their children at home. They ensure that their children attend class regularly, are prepared and have done assigned work.

Parents of any child, who is persistently disruptive, making it difficult for the class to cover the planned lessons, will be invited to meet with the coordinator of the religious education program to discuss the child’s future participation in the program.

I understand these expectations and will do my part in cooperation with the Parish Religious Education Program. Please sign below.
