Virginia Dept of Health (VDH) Regulations/Application:

- Around August 1st, the VDH application will be mailed out. This application must returned along with

Arrival and Departure Guidelines:

- Vendors arriving after 9:00 a.m. will be turned away without refund.
- All vendors are required to remain at the show until closing. We have advertised the specific hours of the festival, and it would not be professional or fair to patrons to breakdown before the specific closing time.
- Failure to appear or early withdrawal from the festival will jeopardize participation in future shows.

Refunds:

- Rain and Wind Policy: There will be **NO REFUNDS for rain or wind**. A great deal of time and expense is put into the Kiwanis Wilderness Trail Festival over the course of a year therefore it is our policy not to cancel the festival for bad weather. Vendors are responsible for providing their own protection from inclement weather. A one-hour wait period will occur before calling the status of the festival during extreme weather. After that period, if the festival is cancelled, a staff person will notify participants. Only then will vehicles be allowed back onto the festival street.
- Cancellation Policy: We **do not refund** for cancellations.

Virginia Department of Taxation:

- Vendors not filing taxes through an established business, must submit the tax form provided in the August 1st packet to the Dept. of Taxation. Any questions: please see website at <http://www.tax.virginia.gov/>

Additional Guidelines:

- The Kiwanis Club of Christiansburg and the Kiwanis Wilderness Trail Festival Planning Committee have the right to update, change or re-design the layout of the festival as they see fit. All Top Level Festival Sponsors may be placed throughout the festival layout and may not be forced to adhere to the same guidelines as Handcrafted by YOU, Non-Profit/Business Displays, or Food Vendors.
- No electrical outlets, tables, tents, ice, water, VDH regulated dump areas will be provided.
- Vendors are responsible for providing their own trash receptacles/bags for their space. There will be dumpsters at the festival for vendors to dispose of their trash afterwards.
- Vendors are responsible for cleaning up their entire area. The space should be returned to the original condition. If it is not, the vendor will be charged directly.
- A fire extinguisher must be in any booth where food is cooked, candles are lit, or if there is any burning or smoking items.
- Locations and street layout are subject to change.
- A professional attitude and consideration for co-vendors is expected at all times. Failure to cooperate with the Kiwanis Wilderness Trail Festival Staff may result in removal from the show without refund.
- Vendors shall be liable for delivery, handling, erection and removal of their own display and materials.
