transitional living

Purpose of Katie's House

Katie's House is a Christ Centered transitional living house for women who have completed/graduated a rehabilitation program.

The purpose of this program is to provide an environment for women to find their full potential through Jesus Christ, and to become role models through their faith that will continue on in their homes, churches, and community.

We believe transitional living is to assist residents in making the transition from a highly disciplined environment to an environment that requires self-discipline. Residents are encouraged to put all other concerns and issues aside while developing new responsibilities and new patterns of living to self and serving others.

Applicants to Katie's House must meet the following criteria:

- † Be 18 years old or older
- † Graduated a drug and alcohol treatment center program
- † Be focused on changing old habits and patterns in your life
- † Must agree to abide by the basic & specific expectations of Katie's House

Residents are required to pay Room Fee in the amount of \$300/month, due the first business day of the month. If a resident comes to Katie's House in the middle of the month we will prorate their Room Fee at \$10 a day for the remaining days in the month.
