NWMO SPORTING CLAYS LEAGUE**

**Hosted by Boot Hill Shooting Ground
In Hamilton, Mo**

This year we have 4 Divisions with 4 Separate Grand Prizes

Shoot 1 Division or all 4, your choice

The Open League calls for 8 rounds of 100 targets to be shot over 6 months.

We are also offering this year 3 Sub Gauges divisions that call for 8 rounds of 50 targets to shot over 6 months

All 4 gauges will be scored separate and all shooters that finish each gauge will qualify for a CZ Sharptail SxS Shotgun in that gauge by random draw at the end of the League.

DESCRIPTION

An evolution of our wildly popular Ringneck, the Sharp-Tail is an entirely new action. Much smaller overall, it now features coil springs instead of leaf springs and sports the same color case-hardened finish. With a single selectable mechanical trigger and pistol grip, the Sharp-Tail is one the sharpest-looking side-by-sides on the market and has some important new features. Updated with new technology, the one-piece CNCed receiver now has independent floating firing pins, coil spring operated hammers and newly designed sears. This all equates to longer life and greater consistency.

Available in 12, 16, 20 , 28, and .410 with single selectable 28-inch barrels, Turkish walnut stocks, single extractor and 5 flush choke tubes (except 16 and .410, which have fixed IC/Mod), all inside a plastic case.

The League starts March 2, 2019* and ends August 31, 2019
Awards Banquet and prize draws the next day, September 1, 2019

Cost:

Open League \$120 plus cost of targets

Sub Gauge League \$60 plus cost of targets

Youth pay only \$60 and \$30. A youth is anyone that will not be 18 years old by September 1, 2019

100% of the buy money will be paid back to the shooters as awards for placement in their respective classes. In 2018 we paid out over \$15,000 to class placement winners.

We also offer incentives for shooters to stay current with their shooting. There will be 16 guns given away by random draw to shooters that stay up to date with their targets.

That is a total of 20 guns to be given away in 2019.

Complete League rules are available to those interested. Please contact Dave Langvardt at dlngrvrdt@grm.net or 660-247-1211 to get on the league mailing list or to ask questions about the league and the rules. If you think you live too far away to shoot our league, please consider that we allow you to shoot up to 2 months ahead. And if you were to get behind (which is tough since I will send you several reminders) the only real penalty is losing out of the gun draws for the month you are behind. You can make up that round later and still be eligible for the cash payouts and grand prizes. There are only 2 drop dead deadlines, you must have 3 rounds scored by May 12th in order to be placed in a class and you must have all 8 rounds shot by August 31st in order to qualify for the Grand Prize drawings. With 8 rounds needed over 6 months we base the incentive drawings on the following schedule: 1 round in March, 2 rounds in April, 1 round in each month May through July, and 2 rounds in August. But you can shoot them as you wish as long as you meet the 2 deadlines above. We have members that travel 3-

4 hours to participate. They shoot 2 month's worth of targets each visit which means they make 4 trips. There is also an RV park very close if you have an RV and want to make a weekend of it.

*League starts the day Boot Hill opens for the season. That is scheduled to be March 2, 2019. If Boot Hill opens early weather permitting, you can start your league early. I will send emails to advise, so get on the mailing list.
