DUE TO UNABLE TO RECORD I HAVE MADE A SUMMARY! PLEASE IF I HAVE MISSED A KEY POINT BRING IT TO MY ATTENTION AND I WILL MAKE THE CORRECTION!!

Old Business:

VICE CHAIR is now open please take back to your home groups to see if anyone willing to fill. Will vote next Area.

We still need a Policy Archives Chair and or committee willing to serve. Please go back to your homegroup and let them know the position is open.

NEW Business:

Rich- Everyone going to indoor meetings should be wearing mask per state guidelines.

Steph- I will add it to the minutes the current state mandate.

Rich- It needs to be put on the meeting list and website if they are following guidelines so people can decide for themselves if they want to attend that meeting.

Dennis- There should also be a sign on the Door before people enter the building

Tony- The guy to contact to update zoom meetings at the worldwide site is Jay Venner jay@rennev.com or admin@virtual-na.or

Tony-Our literature does say we are autonomous but it doesn't know say we are above the law. And it is the law that we wear mask indoors.

Rich-We should all be following all state guidelines

Cathy-No more than 25 people everyone should wear a mask 6 feet apart. Winter is coming and a lot of our older members can not go to in person meetings. Would like to see if we can do at least one meeting a night via zoom.

Rocky- That's why we like our zoom and in person meet it is hybrid. We also have it set up if too many people show up to be inside at the meeting because of limit restrictions then we have agreed a homegroup member will go to the parking lot and join via zoom.

Tony-We need to add the current state guidelines on the minutes.

Mick- I know that south Jersey area is paying all the groups for their zoom. Could our area pay for each groups zoom?

Tony- South Jersey Area has a lot more people and money than we do.

James- How would be enforces mask guidelines any ways?

Mick- Just tell them it is the law.

James- It would be nice to have more Hybrid meetings.

Wes- We should make it clear to each group it is 25% of the room's capacity. If anyone needs help setting up a zoom, I am happy to help. Right now, zoom has waived the 45 minutes meetings for the free account.

NJ COVID UPDATE

How can people safely get together? What are the limits for indoor and outdoor gatherings?

Last Updated: 10/15/2020

Copy Link to Article

Yes, attending a gathering, ceremony, or celebration is permitted as long as the event complies with the following limits on gatherings.

Gatherings are allowed, but different limits apply depending on the type of gathering, and where it is happening:

Indoor Gatherings

- **General indoor gatherings** must be limited to 25 people or 25% of a room's capacity -- whichever number is lower. All attendees at indoor gatherings must wear face coverings and stay six feet apart.
- **Indoor gatherings for weddings, funerals, or memorial services** must be limited to 150 people or 25% of a room's capacity -- whichever number is lower.
- **Indoor gatherings for religious and political activities protected under the First Amendment** must be limited to 150 people or 25% of a room's capacity -- whichever number is lower.
- **Indoor gatherings for entertainment centers** where performances are viewed or given, including movie theaters, performing arts centers, and other concert venues,

must be limited to 150 people or 25% of a room's capacity -- whichever number is lower.

Outdoor Gatherings

- **General outdoor gatherings** must be limited to 500 people and social distancing must be practiced
- There is no limit for **outdoor gatherings for religious or political activities protected under the First Amendment**.

To save lives and stop the spread of COVID-19, [wear a mask](#), wash your hands, practice social distancing, and stay home if you are sick.

Face coverings are required [in indoor public spaces](#) and in outdoor public spaces when social distancing is difficult to maintain.

For more information on rules for indoor gatherings, refer to paragraphs 4-6 on pages 9 and 10 of [Executive Order No. 183](#) and paragraph 1 on page 6 of [Executive Order No. 152](#).

For more information on rules for outdoor gatherings, refer to paragraph 1 on page 5 of [Executive Order No. 161](#) and paragraph 2 on pages 7-9 of [Executive Order No. 152](#).

Safety Tips For Gatherings

During this difficult time, we understand everyone wants to be with family and friends. But being cautious when you interact with others is particularly important as New Jersey is seeing increasing signs of community spread. To ensure we don't inadvertently spread COVID-19 and needlessly put our loved ones at risk, the NJ Department of Health has offered safety tips for in-person gatherings:

- Indoor gatherings pose more risk than outdoor gatherings. Host outdoor activities rather than indoor activities as much as possible.
- Ask guests to wear face coverings when they cannot social distance.
- Make hand sanitizer available for guests.
- Gatherings that last longer pose more risk than shorter gatherings.
- Gatherings with more people pose more risk than gatherings with fewer people. Limit numbers of attendees as much as possible.
- Host activities with only people from your local area as much as possible as higher levels of COVID-19 cases and community spread in the gathering location, as well as where attendees are coming from, increase the risk of infection and spread.
- Remind invited guests to stay home if they have been exposed to the virus in the last 14 days, are showing COVID-19 symptoms, or recently travelled [to an area or a state with high COVID-19 infection rates](#).
- Limit the number of people handling or serving food—for example, consider identifying one person to serve all food so that multiple people are not handling the serving utensils.

- Remind guests to wash their hands before serving or eating food.
- Use single-use hand towels or paper towels for drying hands so guests do not share a towel.
- Clean and disinfect commonly touched surfaces and any shared items between use when feasible.
- Consider keeping a list of guests who attended for potential future contact tracing needs. If you are called by a contact tracer, it's critical that you answer the call to protect us all. Your help is the key to stopping the spread of COVID-19 and saving lives.
