

APOORVA CHAUHAN

PhD Candidate, Computer Science Department, Utah State University, Logan, UT, USA

apoorva.chauhan@aggiemail.usu.edu www.apoorvachauhan.com Twitter: @HCI_researcher

PROFESSIONAL PREPERATION

Ph.D. Computer Science May 2019 (expected)
Utah State University, Logan, Utah, USA

M.S. Computer Science Dec 2014
Utah State University, Logan, Utah, USA

B.E. Computer Science & Engineering June 2012
Lakshmi Narain College of Technology

RESEARCH EXPERIENCE

Graduate Research Assistant, Computer Science 2013 – present
Professor: Amanda L. Hughes
Research Area: Human Computer Interaction, Social Media.

Volunteer Research Assistant, Instructional Technology and Learning Sciences 2018 – present
Professor: Breanne K. Litts
Research Area: Learning Sciences and Education Research.

TEACHING EXPERIENCE

GRADUATE INSTRUCTOR

Introduction to Computer Science. Spring 2017

GRADUATE TEACHING ASSISTANT

Usable Security. Course Instructor: Dr. Mahdi Al-Ameen. Spring 2019

Introduction to Computer Science. Course Instructor: Dr. Chad Mano. Spring 2019

Database Systems. Course Instructor: Dr. Curtis Dyreson. Fall 2018

Computer Security I/II. Course Instructor: Dr. Chad Mano. Fall 2017

Developing Web Applications. Course Instructor: Dr. Linda DuHadway. Fall 2013

Intro Computer Science 1. Course Instructor: Dr. Linda DuHadway. Spring 2013

AWARD HIGHLIGHTS

Outstanding Graduate Researcher in the USU Computer Science Department. 2018.

Finalist for USU *Doctoral Researcher of the Year*. 2018 (USU's most prestigious Robin's awards).

Outstanding Engineering Graduate Scholar in the USU College of Engineering Award. 2018.

Doctoral Researcher of the Year in the USU College of Engineering Award. 2018.

USU *Computer Science Department Research Assistantship*. Spring 2018.
