A Note From Rick: Markets at TLA this week were steady to a little lower. Butcher cows were \$.03-\$.04 cheaper on average. Butcher steers were steady along with bull calves and feeders. The Dairy market was steady to a little weaker. We had our Alternative Animal Auction this weekend and wow did we get lots of rain. We are working hard to get a system in place now that we have a new arena to make the sale more efficient. I can definitely say that things ran much smoother than in years past. We've got great employees that are working hard to improve the flow of animals in and out of the ring and it showed. We would like to welcome Jarron Miller to the TLA family. He has auctioneered Tuesday afternoons for the last couple of weeks. He is a class act and is pretty amazing at what he does. He stepped in with Vernon this weekend during the Alternative Animal Sale and didn't miss a beat. We are lucky to have him at TLA as our new weekly auctioneer and are looking forward to adding him to the team in the upcoming horse auctions. It's October and an exciting time at TLA. We have our Special Springer and Feeder sales coming up in the next couple weeks followed by the Friesian Fall Classic and Driving Horse Auction. We are going to close out October on a high note with our 4 day Draft Horse, Equipment and Carriage Auction. We hope you can make time to get to TLA in October.....it's where the A_uction is!
