“COLLISION
RE-CONSTRUCTION”

*** MEETING – OCTOBER 14th**

Presentation:- The primary presentation will be made by Ken Wright, constable with the Major Collision Bureau of **Peel Regional Police**. Ken will review and discuss, using ‘Power Point’ and other means, the various techniques that re-constructionists use in order to piece together a collision scene.

Sponsor:- We are pleased to have **J P Towing Service & Storage Ltd** hosting the evening. J P Towing is a well known Toronto based company that was formed in the late 1970s’ by John Paul (‘JP’) Cruz. Today J P Towing operates over 60 trucks. Please see page 4 for more on J P Towing.

Collision/Towing/Police/Re-construction-Looks to be a well intertwined, promising, presentation!

Bring along a friend or colleague who you think would be a welcome addition to our ATSSA organization, to attend this meeting and to join us for dinner.

HEAD’S-UP!! What has evolved into an annual fun & charitable drive for “Toys for Tots” & “Non-perishable Food” – our **December meeting** - is fast approaching! Time for us to start preparing/collecting!

GOLF- TORONTO ATS

Our inaugural outing at Nobleton Lakes golf course on September 2nd turned out to be quite the success. The consensus was that the Nobleton club performed very well. Of course the great summer weather continued to prevail, the participants were good company, the food was tasty and there were lots of prizes. A good time was had by all. Our sponsors continued their most welcome participation and to be most generous as usual.

Please review on page 3 the listing of sponsors whose continuing support is critical, and give them all due consideration in your business activities.
