

- YOU **MUST** KNOW YOUR CHIROPRACTIC BENEFITS before your date of service. If you are unaware, we will collect the out of pocket amount until you verify your benefit.
- Whatever your insurance does not cover, you are responsible for. We **cannot** give the time of service discount once the insurance has been billed.
- We collect every payment up front. If we have to bill the patient personally, there is a \$25 billing fee.
- We are also encouraging email billing for 2015. If you would like to participate, please provide your email to the front desk.

Please remember, billing insurance is a courtesy

Thank You!
