**FREE DAY
OF FUN**

This Special Event for the underprivileged children and children with disabilities. Bring the children for a fun day of soap box derby racing. Do not worry we have all the cars for the children used.

We have 2 seat soap box derby cars. Children from the ages from 7-16 years old (boys and girls) will be drivers. The other side of the car will be a child with disabilities. (We cater to all disabilities). Do not be afraid for your child, we designed all of this for all children.

We will have food and drink for the day. Bring canopies and chairs to be able to watch the children

Sunshine State Superkids is all about the children. We have put our program together to be able to give children with disabilities and underprivileged children the chance to try something different

Plant City Stadium
1810 S. Park Road
Plant City, FL

Racing Starts at 9am, We ask for the children to be at the event around 8am to register.

Bring the children for a fun free day of FUN!
