SUMMER HIKING SCHEDULE JUNE, JULY and AUGUST, 2018

Hikes ratings are based on terrain (mileage is stated separately in the description). An "easy" hike is one with relatively flat terrain, while "easy to moderate" also has rolling hills (for example, Rockefeller Preserve). A "moderate" hike has steeper grades, possibly going up and down all day, and may involve some bushwhacking or short rock scrambles (like much of Harriman Park). A "strenuous" hike has steep ascents, often with rough or difficult terrain on much of the hike (like most Schunemunk trails, Breakneck Ridge, etc.). These ratings apply during good weather. Bad weather may lead to poor footing and increase the difficulty of any hike.

Hiking boots and sufficient drinking water (1-2 liters) are required on all hikes. A trail lunch should be carried unless otherwise noted. Hikers with improper footwear, without sufficient water, or who are otherwise unprepared, may be refused by the leader. Well behaved dogs on leashes are welcome on hikes listed as "dog friendly," but please do not bring your dog on hikes that do not have this listing. New hikers are asked to contact leaders in advance of hikes. All hikers should choose a hike within his or her abilities - contact the leader if you have any questions. All who participate in the activities of Westchester Trails Association (WTA) do so at their own risk.

A hike listing with an "NWP" designation means that the group meets in the parking lot of the North White Plains train station at the stated time for a carpool to the trailhead. (Otherwise, please contact the leader for information about the meeting time and place and whether public transportation is available.) To reach the NWP lot, take the Bronx River Parkway to Fisher Lane in North White Plains and follow the train station sign. The parking lot is half a block from the turn, on the right hand side, before the underpass. There is no charge in this lot on Saturdays or Sundays. If coming by train please notify the leader. Walk down the stairs from the train platform to the parking lot on the NYC bound side, then walk north toward the toll booth.

We encourage carpooling to the hike site. This arrangement is entirely voluntary and entails no obligation on the part of the drivers. Passengers should reimburse the driver for a share of the expenses. We suggest that you multiply the miles driven round trip (to and from the trailhead) by 30¢ per mile, add tolls and parking fees if applicable, and divide the total by the number of people in the car (including the driver). You may wish to round these amounts up or down to the nearest dollar, to make things easier.

A schedule of WTA activities is printed 4 times a year. If a leader's contact information is not listed below, please e-mail Eileen West at eileenw1000@gmail.com for details.

Saturday, June 2 - **TWO HIKES TODAY:**

Saturday, June 2 - **SBM in Harriman. Part 1: Suffern to Route 106.** 12.7 miles, moderate to strenuous. This is Part 1 in a series of 2 hikes on the Suffern-Bear Mountain Trail, which crosses the length of Harriman State Park. There are multiple ups and downs with plenty of views. start of our continuous hike. We'll walk through this local park, head over to Crawford-Rye Hills Park, and then continue on shaded streets to Pepsico where we'll see sculptures by famous artists and gardens of specimen trees and flowers. Finally, we'll enter the SUNY Purchase campus to find more sculptures and an interesting adventure park. Those who wish can also visit the Neuberger Museum of Art (free admission today) at the conclusion of the hike. This hike will be mostly on pavement, so hiking boots are not required. Contact leader to register: Eileen West, eileenw1000@gmail.com. Rain cancels. *Joint with ADK Mohican. Qualifies for the Westchester 100 (Nos. 17 and 97a).*
