MAY DAY

May Day is a European festival of ancient origins marking the beginning of summer, usually celebrated on May 1st, around halfway between the spring equinox and summer solstice.

Festivities may also be held the night before, known as May Eve.

Traditions often include gathering wildflowers and green branches, weaving floral garlands, crowning a May Queen, and setting up a Maypole, around which people dance. May devotions to the Blessed Virgin Mary are also part of the festival in some regions.

A Tribute to Mothers

*The hand that rocks the cradle
also makes the house a home.
It is the prayers of a mother
that keeps the family strong.*

*Mothers rise early in the morning
and bathe their day in prayer.
They talk to God about their family
and places them in His care.*

*Mothers communicate their love
in a thousand different ways.
When there's a need, they are there,
whether it is night or day.*

*When challenges come our way
and when trials block our view,
Mothers kneel down beside their
bed and pray the family through.*

*Mothers are a gift from above;
a light shining in the dark,
illuminating the path for their
family and pointing them toward
the hand of God.*

SPECIAL EVENT!

The DPWA does not have a luncheon in June or August, but there will be a picnic potluck in Clement Park in July.

The Denver Police K-9 Unit will be on hand to give a demonstration of how the police dogs assist with police actions, so you don't want to miss this event!

More details regarding the date and time will be provided in the June newsletter.
