Have you put in any time supporting your club? We need more than just donations to keep things running smoothly around our facility. Just an hour from every club member would be nearly 100 hours in work – WOW do you know what we could accomplish?! If you want to know what you can help with reach out to a Board member!

Lots of things are happening at KSC! Are you participating? We have cancelled the barrel nights due to lack of participations, but there are a TON of other things happening over the next few months. Buckle Series?! Oh yes we did!! Are you coming? Do you need details? Check out the website and our facebook pages for details and flyers. Parades, General meetings, Ranch Riding Clinics (SAY WHAT?!), Obstacle Challenge – yes, they are all happening here. Oh and they are all events that are accompanied by GREAT FOOD!! Yeah, so even if you can't ride in the event, come on down. We all have to eat right? The Board looks forward to seeing you at the club!

## FUN FACT:

Horses have excellent night vision. On a night lit by a partial moon, horses can see just as well as people can in full daylight.

Donations can be made to the club through Zelle:
