Welcome to the 2017 Vollmer Angus Ranch Bull Sale!

On behalf of everyone at Vollmer Angus we welcome you to our 40th Production Sale! It seems very hard to believe that the 40th edition is upon us. With that I personally want to thank everyone of you that has supported the program over the years. It truly is appreciated!

The sale offering this year is without question the most complete from top to bottom that we have offered to the buying public. We have several new sire groups that have certainly provided a new level of quality and genetic excellence. This set of bulls is the lightest birth weight group, but went on to grow and develop into the heaviest yearling weight group we have ever assembled! That is certainly one of the production goals. We are striving to make these cattle as problem free as possible, without sacrificing any performance, or end product value. We believe that a cow should be able to have a calf on her own, take care of the calf, allow us to process the calf without fear, and then to raise a big healthy, heavy calf to weaning on the forages that are available to her throughout the summer, all while maintaining a consistent calving interval. To do this the cow has to be structurally correct, deep bodied, easy fleshing and docile. That is the type of cow we strive to produce. It is also why we put so much emphasis on the mother of our herd bulls. Our herd bulls are truly out of some of the top females the breed has to offer.

Also new this year we have incorporated the i50k test on every bull selling. This genomic test offers an insight into the production capabilities of an animal. This test is equivalent to reporting data on 10 - 15 progeny, depending on the trait. This adds a level of predictability and accuracy to each bull's EPD profile. If you have any questions or would like more information on this don't hesitate to call me. I am very excited about the future of this technology.

After 40 years of bull sales there have been many changes. The technology advancements and the advancement in genetic quality and production have been profound. It is amazing to see how much better and more problem free these cattle are today! However some things haven't changed and that is our commitment to our customers, friends, and loyal supporters of the program. Without you none of this would be possible, a fact that we remember and are for thankful daily!

Feel free to contact any of us at anytime.

Thanks again and we hope to see you sale day!

TRUCKING - Load up your bulls via our drive thru load-out on sale day, or within one week of the sale and receive \$100 for each bull purchased. Or, leave your trailer at home and we'll deliver up to 500 miles at no cost to you. We just ask that for bulls purchased outside of ND that you would please be willing to travel to central drop points to make delivery feasible and avoid cattle being in transit for too long a time period.

BREEDING GUARANTEE: All bulls guaranteed against injury throughout the first breeding season. If a suitable replacement bull is not available when needed, credit will be issued for next year's sale.

SIGHT UNSEEN PURCHASE GUARANTEE: We guarantee the bulls will be as described and to your liking, or you don't own them.

All bulls will have passed a semen test and BSE evaluation prior to the sale.

The sale offering is free of all known recessive genes monitored by the American Angus Association.

Large selection of bulls suitable for breeding heifers as well as mature cows.

Annual Johnes testing of all breeding stock.

Vollmer Angus is reserving a 1/3 revenue sharing semen interest in all bulls.

VOLUME DISCOUNTS: We will offer a volume discount of 3% on the purchase of 3-5 bulls, 5% on 5 to 10 bulls, and 10% on 10 or more bulls.

The calving ease rating of each bull is based on the best information that we have available on both the individual animal as well as his close relatives including actual BW, BEPD, CED and known history here at VAR.

***** Recommended for heifers **Recommended for big heifers & young cows *Recommended for mature cows.**

Commotion came to us as a feature of the Brooking Angus Bull sale out of Canada. Commotion is a complete outcross for us and has proven himself to be the best calving ease bull we have utilized in our program. His progeny are born small and vigorous, yet they really excel in growth and performance from birth to weaning. The Commotions are sure fire calving ease bulls yet have a lot of performance, muscle, depth of body, and structural integrity. The females are also tremendous with outstanding body dimension and ideal frame size for our environment. We are extremely excited about the lasting contribution Commotion can have for our program.

Seedstock was the lead off bull of the 2015 S A V bull sale selling to Herbster Angus. We admired Seedstock for his tremendous balance, structural integrity, and his highly maternal female lineage. His dam is the incomparable Blackcap May 4136, while his paternal grand dam is the Madame Pride 0075 – widely considered the “second best” cow at S A V. Seedstock has proven himself to be an outstanding breeding bull. His bulls are some of the best to sell in this sale and the females are some of the very best in the replacement heifer pen. Seedstock progeny have tremendous performance, are the right size, full of body dimension, and are correct with excellent foot structure and quality. Seedstock was utilized heavily AI again in 2016.

Residual is a bull that is making his mark in the breeding pastures at Vollmer Angus. He is a flush brother to Seedstock, but offers a lighter birth weight with similar growth and carcass numbers. The Residual progeny are admired for their overall balance and quality. They simply do it all the right way and the heifer mates are all standouts. He has proven his light birth weight status on both cows and heifers and consistently moderates the birth no matter what the cow's genetic lineage. Residual will play a big role in the future of our breeding program. A bull with this much power, and a second to none maternal background, all while moderating birth without sacrificing performance or carcass quality, is a true rarity.

Recharge was a past feature of an S A V bull sale selling to Select Sires. He is a full brother to Resource and Renown, offering a new genetic pool for us and our customers. His dam is the Blackcap May 4136 who is rewriting Angus history with her production and income revenue. The Recharge progeny are moderate, deep and thick, while being very correct in their structure and foot design. The Recharge daughters are built the way we like them to be, with the look and design that makes long lasting mother cows in the harsh environment we call home. There will be more Recharge sons next year as well.

Grip is a full brother to the featured Select Sire roster member, JMB Traction. Grip is one of our resident herd bull's. The Grip progeny are simply outstanding. Several of the very top bulls in this sale are his son's. Grips are born the right size and continue to grow and develop into performance and carcass powerhouses. His dam is assembling a tremendous track record, quickly becoming one of the very top producing cows in the Angus breed. She was a featured sale lot at the 2017 National Western selling half interest for \$50,000. Our Traction daughters are some of the best young cows on the ranch and we expect the Grip's to be the same. Unlimited potential in this sire group!

Traded some tractor and cow time for a Golf Cart, the chief mode of transportation at the Jr High and Sr High National Finals. Girls competed in Breakaway, Goats, Ribbon Roping and Reining Cow Horse. It was a busy time, but one we will always remember. It's a wonder that somehow the hay got put up!

It was a great UPS Delivery. A trophy saddle for winning the RR All Around JR Cowgirl. Congrats Brooklyn!

Top Selling Bred Cow at the Pearls
of the Prairie Sale last November.

Bull videos available at vollmerangus.com or DVauction.com.

One Summer and Three Weddings!
 Congratulations to Jaci, Taylor, and Derrek. AJ got another brother and two more sisters and Clayton got to wear a suit twice. Both were pleased. We are proud of Tami and Tony and their ever growing family.

*We dedicate our 40th Sale to the Memory of our
Mom, Grandma and Great Grandma ...
Verna...our biggest fan!*

Verna Mae Vollmer, 88, Wing, ND, died July 16, 2016 at a Mandan care center. Verna was born January 26, 1928 in Wing, ND to Fred and Amelia (Degner) Smith. She was raised and educated in Wing graduating from Wing High School in 1945. She attended Valley City State College where she received her teaching certificate. She taught school in the Wing area as well as the Tuttle and Steele area until retiring in 1968. She married Alvin Vollmer November 17, 1946 in Wing. They moved to their present farm in 1952 and that's where she lived the rest of her life. Alvin passed away July 18, 1993.

Verna enjoyed fishing, playing pinochle, quilting, gardening, and especially enjoyed hosting Christmas dinner for her family for the last 67 years.

Verna is survived by her children, Allen (Beverly) Vollmer, Wing and Ardie (Jerry) Poppe, Bismarck; grandchildren, Jeri (Joe) Poppe-Werner, Tamra (Tony) Heins, Troy (Sara) Vollmer; great-grandchildren, Gracie Werner, Brooklyn, Haley and Callie Vollmer, AJ and Clayton Heins, Chris (Holly) Heins, Derrek Heins, Jaci (Preston) Cargo, Taylor (Karly) Heins; two step great-great-grandchildren; her sister, Agnes (Bill) Halbert, Denver, CO; brother-in-law, Jacob (Mandy) Vollmer; sister-in-laws, Betty Smith, Doreen Jose and Bertha Dockter. She is also survived by numerous nieces, nephews and cousins whom she dearly loved, as well as very special friend Claudia Burrer of Wing.

She was preceded in death by her parents, husband Alvin, sister Violet Folmer and her brother Glen Smith.

*"Thanks Mom for
all your help and
for believing in us."*
