

ATTN: Junior High Families!

Now collecting items for our State Basket that will be auctioned off in Georgia for the NHSRA Crisis Fund. Items or monetary donations would be appreciated. Let's make our state's basket extra special with a theme revolving around The Farmhouse Kitchen.

Suggestions: Measuring cups, cutting boards, kitchen towels, dish soaps, utensils, spices, candles, artificial succulents etc..... And of course, money and we can purchase the donation for you!

Please bring your donation to Harmony or any upcoming rodeo before our State Finals and give to Michelle Brown.

The NHSRA Crisis Fund

The National High School Rodeo Association established the NHSRA Crisis Fund in 1996, with benefits since inception calculated at \$207,807.18. The purpose of the fund is to provide financial assistance to offset the costs associated with an injury or death sustained by an NHSRA member at a sanctioned high school rodeo or while traveling to or from a high school rodeo. Below are details and information about the fund.

PREAMBLE

The National High School Rodeo Association (NHSRA) has as its charitable and educational purpose the promotion of high school rodeo on a national scale for eligible high school students. It is the purpose of the NHSRA to promote the highest type of conduct and sportsmanship at sponsored and sanctioned rodeo events and to encourage participants in this sporting event.

The Board finds that the purpose of the NHSRA will be furthered by the establishment of a "crisis fund" to assist in selected cases when a crisis may occur after an injury, major crisis or natural disasters.

Therefore, a segregated fund to be known as the NHSRA Crisis Fund (the Crisis Fund) is hereby established under the following terms, conditions, limitations and restrictions.
