

RR Harriers – Virtual Colin Potter 10km – Mon June 29th to Sun July 12th 2020

Over the past 2 weeks we've been holding a virtual Colin Potter 10km as a replacement to the unfortunately cancelled real event.

28 Harriers ran a 10km and 16 Harriers did make it to Derby Rugby Club to complete the actual course.

Congratulations and thanks to all that ran, and also a fitting tribute from Andy Ward who got Colin Potter's sister to set him on his way.

Fantastic effort.
