

SUMMIT DANCE ACADEMY

Team Information Packet

Summit Dance Academy Company

Heather Webb Jasso, Team Director

As a Company member at Summit, your child will have the opportunity to train under award winning choreographers, build and refine their technique, and compete in world class regional competitions.

Being a part of a competitive team is an incredible experience. Your child will not only grow as a dancer but will also learn valuable life skills including teamwork, self-discipline, time management, and how to build life-long friendships.

We want everyone to feel welcome to be a part of Company; however, please understand that it is not for everyone. Being a member of a team requires a serious time commitment as well as substantial financial investment on your part. It is very important that your child is passionate about dance and that it is his/her activity of choice. Please read through this packet of information completely. We are available to answer your questions and to address any concerns you may have.

What type of commitment is expected?

Being a member of Summit Dance Academy Company is an 11-month commitment. Classes begin in July and will continue through the beginning of June. To best support your child's accelerated training in Company, ATTENDANCE IS EXPECTED. All foreseen absences should be submitted to the office, in writing, two-weeks prior to the absence. In the case of emergency (i.e. medical issue, family emergency, etc.), please notify the office, in writing, within 48 hours of the absence. If more than three unexcused absences occur during the dance season, you may be asked to withdraw from the program. Please note that you will remain responsible for payment regardless of your child's attendance.

What is expected of team parents?

At Summit, our biggest expectation is that you support your child. Please be timely to rehearsals and events, encourage healthy nutrition and rest, and minimize negative attitudes. Four hours of volunteer service will also be required of all parents. These hours may be fulfilled by assisting during studio-sponsored events and by helping with costuming, prop design, prop transportation, and charity event advertising. Please notify the office of your interests in volunteering with the Studio. In class, we ask that you please trust the Teachers and Directors. We are professionals, and we care about your child. Detailed expectations can be found in the Parent Code of Conduct, included in your orientation packet. Please review this information carefully and return a signed copy to the office.

How do I register for auditions?

You can register through our website calendar or you can fill out the attached form. There is a \$35 audition fee that will be billed to your account the week before auditions. New to studio? Please bring cash the day of auditions.

How will I be informed of information regarding SDA Company?

A Company Band App will be used to communicate team upcoming events, as well as email.

Why am I required to take Ballet?

Ballet is the foundation of all forms of dance. It engenders whole-body awareness and fine-tuned control that translates into all other forms of dance. It is through ballet training that we achieve agility, grace, presence, and quality of movement.

Can I do team if I am also doing Poms?

We offer a special discounted program for dancers who are involved in high school poms.

SUMMIT DANCE ACADEMY

When are team fees due?

Team Vendor Fees are split into 10 monthly payments (August- May) due the 18th of each month. Solo fees, master classes, conventions and summer session are not included in the team monthly fee. Participation fee is due June 1.

What is Summit's Intensive? (Required for team members)

This summer intensive is a two-week, full-immersion program into the contemporary arts. Dancers ages seven and older will have the opportunity to study classical and contemporary technique as well as partnering, kinesiology, choreography, Pilates, and more! The Intensive is available to any intermediate or advanced dancer, although space is limited. Choreography and combinations will be taught throughout the course of the workshop.

When am I ready to have a solo choreographed for competition?

While performing a solo, duo, or trio can advance your dance career, please understand that it requires a serious time commitment and a significant financial investment on your part (in addition to Company fees and tuition). While soloists will learn their choreography in the summer, they are expected to work on some aspect of it DAILY, focusing on the emotional, technical, and stamina aspects of their dances. Because soloists are representatives of Summit Dance Academy, we want to bring only the dances that have been well-rehearsed (1-2 weekly privates). If you are interested in having a solo/duo/trio choreographed, please fill out an application and schedule a meeting with the Team Director.

SUMMIT DANCE ACADEMY

SUMMIT DANCE ACADEMY

Information Due To Covid -19

Auditions:

May 18, 2021

\$35 Fee

Please wear all black and come with a headshot. Please bring tennis shoes for hip hop.

Intensives: required to be part of 2021-22 Company

- Intensives will be split in group sizes to match the State of Colorado's phase guidelines, come July.
- Master Teachers will be setting choreography during these two weeks. You must be in attendance to eligible.
 - Covid guidelines will be sent out to parents and dancers to follow.
 - Please sign up by May 1, 2021.
- Team 4 Poms Dancers are only required to do 1 week, if they plan to only participate in 2 dances. If they plan to be in more they will need to do two weeks.
 - We plan to focus on technique, choreography, conditioning in this camp.

Guest Choreographers:

We plan to bring out Lacey Schwimmer, Dusty Button, Misha Gabriel, Kyle Molter and more.
We will continue with our Master Class Mondays.

Team for Poms Dancers:

We do offer a program for dancers who want to continue participating in team. This includes 2 competitive dances, 2 technique classes per week and 1 -2 week of intensives . This will include a NO convention option, for the two dance option. This also is a discounted program including low tuition, low team fees and low intensive costs.

Dancers are welcome to do Pre- Pro if interested in a larger commitment.
However, if you are looking for a limited time and financial commitment,
this is the perfect program to keep your dancer part of team!

Fall Classes:

Fall classes are set to start back August 16, 2021.

A full schedule will be out this May.

We may have set choreography weekends in August and September, more to come.
