

Jammer Report

Ski Jammers Ski Club

A SPECIAL THANKS TO OUR SKI JAMMERS VETERANS. THANKS FOR YOUR SERVICE.

President's Message

I hope everyone is having a great summer and staying cool. This past weekend was really special as I reflect on how blessed I am to have family and friends together. I am so grateful to all who serve to keep our nation safe. Please take a moment to say thanks and buy a cup of coffee when you see a member of the armed forces. They are amazing people who protect our nation every day.

Let us know how you like the new format of meeting socially at a black owned business during the summer months. We are excited with the level of participation and meeting new people every month. Last month we met at Scrappy Browns in 3rd Ward Texas. If you have not been there, you should check it out. Great food, great music and great atmosphere...

This month we will have our Happy Hour at Davis St at Herman Park on Thursday July 28th. What began with an idea to cater to a special community is now set to

be one of Houston's most iconic full-service hospitality concepts that reflects the culture and history of this exceptional location as well as the artisans of the

Hermann Park area. I hope to see you there.

Ski season will be here before you know it. We have a great line-up of trips. With something for everyone. You should really check out the trip to the French Alps. We are collaborating with the Texas Ski Rangers and combined targeting 40-50 people. We have received a great response for single occupancy and now have a waiting list with the price for single occupancy being the same as double until July 15th. Lots of doubles available... Imagine being in a condo facing Mont Blanc all inclusive, Ski In Ski Out, all you can eat and drink, ski as much as you want and much more.

This should be on your bucket list. Check it out!!

Of course the NBS Summit is our signature trip and has grown exponentially over the last few years with lots of young professionals. We are targeting 50 registered participants to join us in Keystone, CO. Remember our mantra this year is 'Each One Reach One + One'. We are constantly building our membership.

Don't forget about our youth. We are planning a trip during spring break. What a way to expose our kids to winter sports.

We'll have other trips, like a weekend in San Antonio for the TSC Bidfest with lots of activities, free breakfast and free happy hour. Details are forthcoming. Our final trip will be to Iceland. Be adventurous and add it to the list. Make plans today!!

Love, Peace & Snow, Andrea Yowman
