

HIGH POINT EDUCATIONAL AND MISSIONARY BAPTIST ASSOCIATION

FROM THE OFFICE OF THE PRESIDENT OF THE CONGRESS OF CHRISTIAN EDUCATION
PASTOR CHAD R. ARMSTRONG

November 8, 2017

Greetings to the HPEMBA Church Family,

I greet you with the joy and peace of God. My name is Pastor Chad R. Armstrong, pastor of Phillips Chapel Missionary Baptist Church, whom will humbly and graciously serve as your new president of the Congress of Christian Education for the next 4 years. The spiritual thrust for the Congress during this auspicious opportunity will be driven by the Apostle Paul's writing in Ephesians 4:11-16. I am excited about what God has given me as we move forward in building our churches and ultimately our association through effective and empowering teaching opportunities. It is my desire that every church becomes engaged throughout the process to make a difference in our local church, community, and association for the Glory of God!

It gives me great pleasure to announce to you also our **NEW** One-Day Session timeframe and location. We will convene next year on the date of **February 3, 2018** in Winston Salem, NC at Phillips Chapel Missionary Baptist Church. You will have the opportunity to take classes that cover several areas of the local church. Registration will begin at **8:30 am** and we want to encourage all pastors to bring your \$100.00 church registration fee and remind your parishioners of the \$10/person registration fee. These funds will aid the Congress of Christian Education in our quest to develop and provide additional training opportunities beginning in October 2018. We are wonderfully anticipating a blessed time in the Lord as we gather together to become greater disciples for His Kingdom.

The following classes will be offered in the following areas for our One-Day Session.
