

Berkeley County Health Department

Travel Clinic Cost Information

Please submit insurance card (front/back), driver's license, and the subscriber's name and date of birth *before your appointment* so our clerks may have adequate time to check insurance coverage. Payment is **expected in full on the day of your appointment for any vaccine not covered by insurance**. For patients using a *credit/debit card for transactions, a 4% service fee* will be added to your original charge/fee.
