## 2022-2023 Tuition Information

### Tuition

Tuition is payable over 9 months. We strive to keep the cost of tuition reasonable for our families. Tuition only covers a part of the cost of Christian Education. The remainder of the cost is subsidized through our annual fundraising initiatives, our generous personal and corporate donors, and local church support. Each VCS family is expected to help with these fundraising efforts.

### Volunteer

Another way we can keep tuition reasonable is because all our families volunteer their time. There are many ways to volunteer and it can help you get to know the other students and families at the school too. Grade school families are required to volunteer 20 hours per year and Pre-K families are required to volunteer 10 hours. 20 hours is the most required for families of multiple levels.

Grade Level	Monthly Tuition	Annual Tuition	Prepaid by 9/10 (3% Discount)
Pre-K - Half Days	\$289	\$2,601	\$2,523
