We agree to abide by the following sales requirements to be an authorized wholesale partner of Diamond Finish Products. We understand that these guidelines are in place to protect all wholesale partners and the Diamond Finish Brand from price competition across sales channels. By signing this agreement, we will abide by the following:

1. We agree that if we sell Diamond Finish products online, it will only be on our website. We understand that this excludes any sales on third party websites or marketplaces such as Amazon.com, Ebay.com, the Facebook Marketplace, Instagram, QVC and other online sales platforms not wholly owned by our company.
2. We agree to abide by MSRP pricing or above MSRP at all times. We understand that sales or discounts are only allowed in-store but not to last for a period of longer than 30 days. Products are eligible to be listed at a discount from the MSRP not more than a total of 45 days throughout a calendar year.

We understand that this agreement is in place to protect our store and the Diamond Finish Brand and that any infringement will subject our account to cancellation. The signature above is from a manager or someone authorized to sign on behalf of our company. This signature is our agreement to abide by those items listed above.
