

KUVASZ CLUB OF CANADA MEMBERSHIP FORM

All of your memberships have kept this newsletter vital. You have shared your experiences – good and bad – with others each issue. The Echoes is a reader-written publication...articles are not solicited. All of what is published is received from readers/members.

As members, you can read about others' experiences and challenges with this unique breed. This truly is your publication. Your membership contributions help others foster their hopes and dreams about their present and future Kuvaszok. This newsletter is a connecting thread because of your continued support. We are not a club without you.

With your support, KCC is able to hold an Annual Picnic, host a Kuvasz Specialty Dog Show and send you a newsletter (and we know you enjoy reading it and seeing the pictures).

If possible we would appreciate memberships sent in by April of the year. This way we can get your newsletters out to the correct mailing addresses and you won't have to wait for your copy!

THANK YOU VERY MUCH!

KCC memberships also pay for club recognition renewals and advertising in the Dogs in Canada Annual magazine and club directory in the monthly issues.

The website is done through donations and volunteer work.

The club is open to everyone for assistance and advice.

All executives and directors and helpers are strictly volunteers.

Please send your membership of \$25.00 per year (made out to Kuvasz Club Of Canada) in to the membership coordinator:
